CITED FOR OUTSTANDING SERVICE, Edwin J. Kinter (left), executive secretary of Community Foundation and United Appeals, was presented a plaque Thursday night at the YMCA by Dr. Philip W. Smith (right) during annual meetings of the two organizations. The Community Foundation president, in making the presentation, lauded Mr. Kinter for the fine job he has done in putting Marion County United Appeals and the Community Foundation on a "real professional status." Mr. Kinter has tendered his resignation as executive secretary of both groups.

'Hands Off,' Fidel Castro Warns U.S.

Will Fight Any Move To Intervene, Leader Of Cuban Rebels Says

HAVANA (AP) — Fidel Castro says Cuba's revolutionary regime wants good relations with the United States, but not at the price of halting executions because of American criticism.

Castro warned Thursday against any U.S. intervention to stop executions ordered by military courts for murder and torture during Fulgencio Batista's dictatorship.

"If the United States comes here, we will make trenches in the streets," the rebel leader told the Havana Rotary Club. The State Department said in Washington that American policy was "strictly one of nonintervention in Cuban domestic affairs."

Notes Protests

Noting some U. S. congressional protests to the executions, Asst. Secretary of State Roy Rubottom said, "We are not going to intervene in what is essentially Cuba's affairs."

To avoid misunderstanding, the U.S. Navy canceled previous plans for 3,000 U.S. Marines en route to maneuvers near Puerto Rico to stop at the American Navy base at Guantanamo Bay, Cuba.

Castro earlier Thursday, in remarks to a group in his hotel lobby, had said that if U S Marines are sent to Cuba "200,000 gringos will die." Gringo is the derotagory Latin American term for U.S. citizens. There are 12,000 of them in Cuba.

Stands by Story

Castro later told the Rotary Club he had not realized this comment would be published but he stood by it.

The rebel chief's vision of U S. troops landing in Cuba apparently stemmed from demands by critics in the U.S. Congress that the United States do something to stop the Cuban firing squads.

With the total of reported executions at 197, the provisional government acted belatedly to legalize the death sentences already carried out.

A government decree modified the provision of Cuba's 1940 constitution prohibiting capital punishment.

In his refuge in the Dominican Republic, Batista called the executions "perverse attempts to justify (rebel) crimes."

Cancer Unit Quits

Officers Selected By Appeals, Chest

Withdrawal of the Marion County unit of the American Cancer Society from United Appeals and election of officers and trustees for United Appeals and Community Foundation highlighted action in annual meetings of the two groups Thursday night at the YMCA.

Wayne H. Kuhn was elected president of United Appeals, succeeding Louis B. Conkle, and Delmar R. Dulin stepped into the presidency of Community Foundation, succeeding Dr. Philip W. Smith.

—:—

APPEARING ON BEHALF of the Marion County unit of the Cancer Society, Jackson H. Taft, president, outlined the reasons for the agency's withdrawal, citing particularly compliance with a directive from the National Board of Directors of the American Cancer Society.

Reading an official letter of withdrawal, he said: "The American Cancer Society believes that if it directly contacts citizens of this community to explain the urgency of its program, the fight against cancer can be more quickly won." When this is accomplished, the cancer society will disband, Mr. Taft explained.

The withdrawal, to take effect as of April 1960, will put the local cancer unit back on independent footing after seven years of participation in United Appeals here. Members of United Appeals accepted the withdrawal in compliance with the request.

Speaking in behalf of United Appeals, Mr. Kuhn received approval of the membership in maintaining a United Appeals "open door" policy of providing public support and assistance to local agencies that seek help.

—:—

THE NEW PRESIDENT declared that the aim of United Appeals — to include all community campaigns in one annual drive under an "open door" policy, will continue to be upheld.

He noted, however, that the UA board of trustees would continue to recognize the American Cancer Society as an accredited health agency entitled to public support, along with other local organizations which conduct independent drives.

Retiring vice president of United Appeals, Mr. Kuhn assumes his new post with several years of leadership in the group and local fund-raising campaigns.

He has been assistant campaign chairman in charge of the professional and financial divisions of drives during the last two years. Prior to that he was chairman of the professional division two years.

The new UA president also has served as second vice president of Community Foundation and has been active on the board of trustees of this group and in United Appeals.

A native of Lorain, Mr. Kuhn has been a resident of Marion 11 years. He is a partner in the firm of Floyd G. Browne and Associates. He is married and the father of two children. The family resides at 357 Brightwood Dr.

Foundation and United Appeals boards for several years.

He is a member of Central Christian Church, a church deacon and sings in the choir. He also holds membership in the Marion Civic Chorus.

Active in the International Association of Machinists Local 1281 for 20 years, Mr. Dulin has served six terms as president and presently is a trustee.

He is employed with the Fisher Body Plant division of General Motors Corp. in Mansfield. He is married and the father of one son. The family resides at 396 Oak St.

—:—

OTHER OFFICERS elected to United Appeals posts were: Dr. Philip W. Smith, vice president; Mrs. John Gillis, secretary, and Mr. Taft, treasurer. The slate, presented by Ralph H. Howard, chairman of the nominating committee, was unanimously approved.

Elected as members at large to the UA board were Mrs. Dorothy Isaly and Mr. Kuhn. They succeed Mrs. Walter Kelsey and William Goodwin. They were elected to three-year terms.

Appointed to the board as representatives of the three participating agencies for one-year terms were:

Cancer Society, Mr. Taft, Mrs. Gillis, Mrs. W. C. Kimball and Mrs. Glenn Fish; Red Cross, Lewis Ashworth, Mr. Conkle, Lloyd Johnston and Lowell Douce, and Community Foundation, Mr. Dulin.

Joins Colombo Plan

COLOMBO, Ceylon (AP)—Since 1951 the United States has been represented at Colombo Plan meetings by observers only. It was elected Thursday to membership.

The Colombo Plan was organized in 1950 around the more advanced nations of the British Commonwealth to provide economic aid for the more than 650 million people in the nations of South and Southeast Asia.

Prompt Action Asked on New Envoy to Cuba

WASHINGTON (AP)—Congressional pressures mounted today for the prompt naming of a new U.S. ambassador to Cuba, where the revolutionary government says it plans more executions.

Demands for a new ambassador to replace Earl E. T. Smith who resigned last Saturday came with strong congressional criticism of the executions as developments piled up on several fronts:

1. The State Department assured Congress it is standing pat on its policy of not interfering in the affairs of its neighbors. It denied charges the United States had given military help to ousted Cuban dictator Fulgencio Batista.

2. The Navy ordered a task group that includes 3,000 Marines diverted from an intended stop at Cuba "to avoid any misunderstanding."

3. Rebel leader Fidel Castro said he wants good relations with the United States, but cautioned against any U.S. intervention in Cuba. Castro vowed 200,000 gringos (U.S. citizens) will die if Marines are sent to Cuba.

4. Batista charged executions by Castro's rebels are "perverse attempts to justify their crimes."

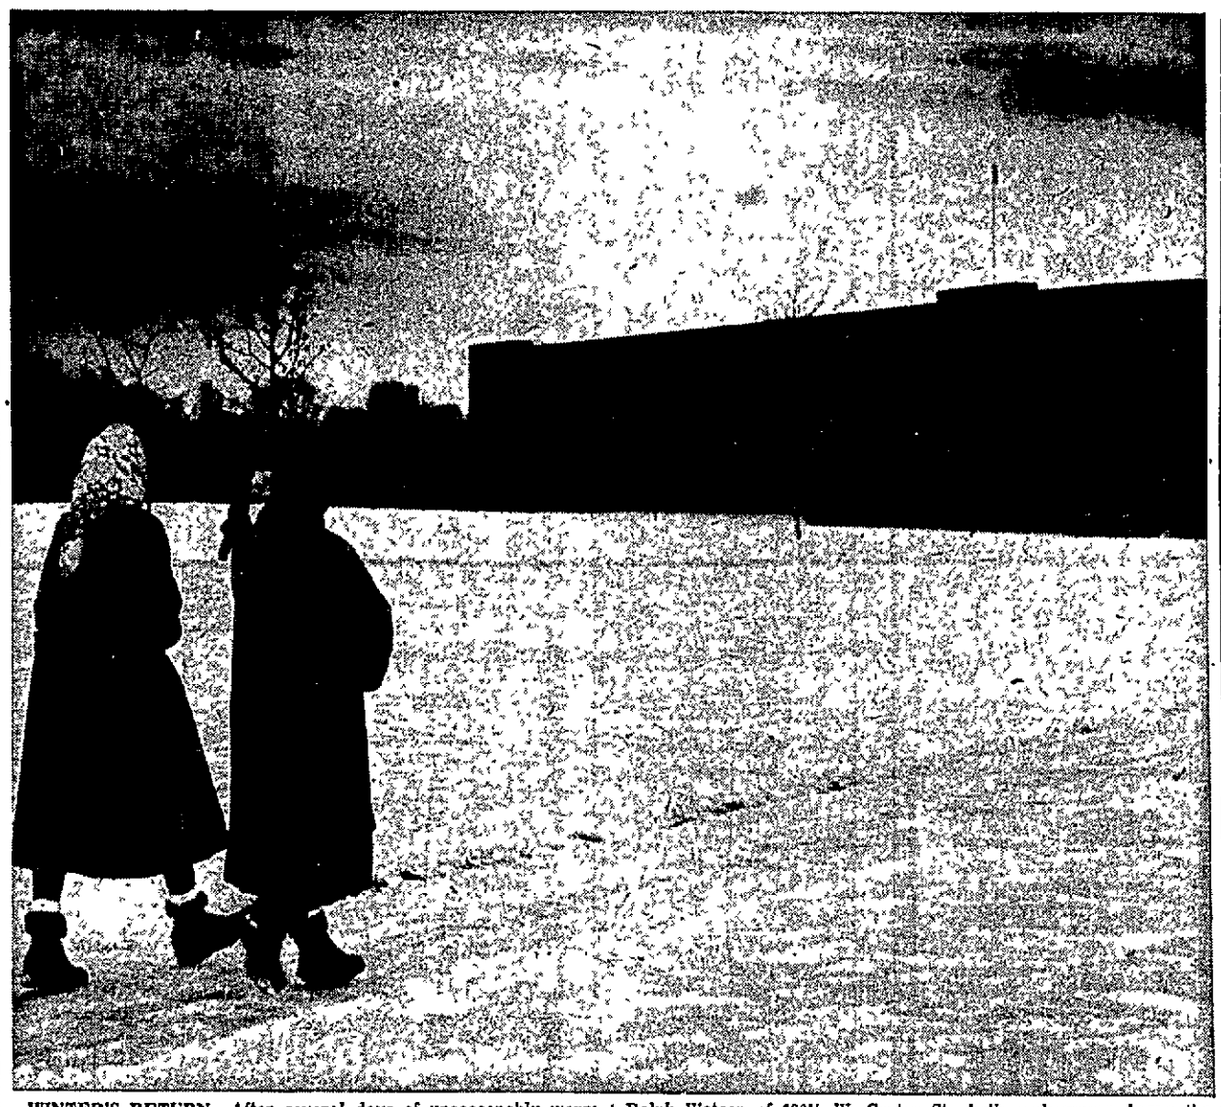
The call for prompt naming of a successor to Smith, who was in disfavor with the rebels, was spearheaded by Sens. Wayne Morse (D-Ore) and John Sparkman (D-Ala) after Asst. Secretary of State Roy R. Rubottom talked with congressional leaders.

"The most important thing we can do now," Morse said, "is to get an ambassador there. Steps are being taken quickly to accomplish that end. That will give us a direct line of contact with the Cuban government to make clear our point of view."

Sparkman agreed that the important thing is to speed up the appointment of a new ambassador. He added he feels any drastic action against the new government "would be premature at this time."

Snow Causes Rash of Mishaps

2 Dead in Traffic Crashes As Ice Glazes Area Roads



WINTER'S RETURN. After several days of unseasonably warm temperatures, winter returned in force to Marion County Thursday night, blanketing the sodden countryside with 1½ inches of new snow. Janice Rife (left), 15-year-old daughter of Mr. and Mrs. John Amos of 198 W. Church St., and June Watson, 16, daughter of Mr. and Mrs. Ralph Watson of 196½ W. Center St., both sophomores, brave the cold of today's early hours as they proceed up the long walk to Harding High School. The mercury, at an overnight low of 3 above, hit the zero mark at 8.30. "Very cold" weather is predicted tonight and Saturday.

Norton Man Dies as Auto Rams Truck

Woman From Near Upper Sandusky Is 2nd Accident Victim

A snowstorm which struck the Marion area Thursday afternoon left in its wake a number of automobile accidents, including two fatal mishaps which killed a Delaware County man and a Wyandot County woman.

The victims were:

Leroy A. Schwartz Jr., 43, of Norton, who was killed Thursday night in a car-truck collision on Rt. 23 in Delaware County.

Mrs. Hattie Hall, 60, of near Upper Sandusky, killed in a Wyandot County accident at 6:20 p.m.

Mr. Schwartz was pinned behind the steering wheel when his northbound auto skidded left of center and was struck by a south-bound trailer-tractor combination driven by Claude Oldaker, 45, of Frazeysburg.

Both Vehicles Off Road

Investigating patrolmen of the Delaware post said impact sent both vehicles off the left side of the highway into a ditch.

Mr. Schwartz was taken to Jane Case Hospital in Delaware by a Doty ambulance. He was pronounced dead on arrival there. Officers said he suffered multiple fractures of the body. A coroner's ruling has not yet been returned in the death.

Patrolman said the accident occurred five miles north of Delaware at 6:05 p.m. The Schwartz auto was mangled nearly beyond recognition, patrolmen said. Extensive damage was done to the truck cab, but its driver escaped injury.

Mr. Schwartz, a resident of Norton, was an employe of the Arco Auto Carriers of Galion. A veteran of World War II, he served in Battery A, 456th Parachute Field Artillery.

Surviving are his widow, Mrs. Seyma Schwartz; his parents, Mr. and Mrs. Leroy P. Schwartz of Norton; a daughter, Mabel Elizabeth; two sons, Leroy William and Martin Edward, and two brothers, William Schwartz of Norton and Paul Schwartz whose address is unknown.

Funeral services will be conducted Monday at 2 p.m. in the Doty Funeral Home in Delaware. The Rev. Theodore Wendt of St. Paul's Lutheran Church in Waldo will officiate. Burial will be at Waldo. Friends may call at the funeral home after Saturday noon.

Runs Into Oncoming Car

Mrs. Hall, a resident of the Marseilles area, was killed at 6:20 p.m. Thursday when her foreign car spun out of control and smashed into an oncoming car. It was the first fatal accident in Wyandot County this year.

The Wyandot County sheriff's office reported the accident happened 1.3 miles north of Marseilles on Rt. 67.

They said Mrs. Hall's car, heading north, went out of control during the height of a snowstorm and rammed into a car driven by Marshall H. Kearns, 51, of near Nevada.

Mr. Kearns' car was moderately damaged, but the Hall car was demolished.

Grandson Injured

Mrs. Hall's grandson, F. Duane Horn, 16, who made his home with Mrs. Hall, was thrown out of the car. He suffered a fractured sternum, fractures of both wrists and scratches and abrasions. He was taken to Wyandot Memorial Hospital in Upper Sandusky.

He told deputies this morning that he and his grandmother were on the way to a basketball game. He could remember no details of the accident.

After the impact, Mrs. Hall's car left the road and rolled over. The woman was not thrown out of the wreckage. Dr. John M. Thompson, acting coroner, said death was instantaneous and caused by a skull fracture.

The Lucas Funeral Home ambulance brought the grandson to the hospital.

Mrs. Hall was born May 13, 1886.

Atlas Tryout Flops, Engine Troubles Cited

ICBM Travels Only 200 Miles Out to Sea From Cape Canaveral

CAPE CANAVERAL, Fla. (AP) —A powerful Atlas missile failed to go the full route on the latest attempt to break the intercontinental range barrier.

The 80-foot war rocket soared off on what appeared to be a perfect start but today the Air Force said it flew less than 200 miles. It said trouble developed in the rocket engine system.

The Air Force shot an Atlas the full 6,000 miles intercontinental route for the first time last Nov. 28.

Since that time the rocket has scored two more spectacular successes by orbiting as a satellite and blazing some 4,300 miles over the ocean range.

The Thursday night effort actually was the third intercontinental range attempt. The first try ended in a violent blowup 90 seconds after launching Sept. 18.

German Issue Discussed

Dulles Opens Talk With Soviet Envoy

WASHINGTON (AP) — Anastas I. Mikoyan and Secretary of State Dulles met today for talks on the East-West deadlock over German unification and the future of disputed Berlin.

Their discussion could lead to an early, high level East-West meeting on the whole range of German problems.

'Probing Operation'

Today's session—the second during Mikoyan's two-weeks visit to this country — was described by diplomats as strictly a probing operation with each of the veteran antagonists of the cold war seeking to discover possible weaknesses or concessions in the policies of the other.

Mikoyan, No. 2 man in the Soviet Union, arrived at the State Department in a Soviet Embassy limousine.

On a nearby corner half-a-dozen Hungarian pickets displayed their nation's flag with a black ribbon of mourning. The leader was Ferenc Nagy, Hungary's last non-

As the two men met today, Dulles wanted to know primarily whether the Soviet government is prepared to enter into serious negotiations later this year looking toward an eventual German settlement.

Mikoyan presumably was anxious to find out whether the United States has any counter proposals to make to recent Soviet demands for withdrawal of Western forces from West Berlin and for an early start on writing a German peace treaty.

Mikoyan told a New York news conference Thursday his country still wants a summit conference on world problems. He said the West cannot sidestep one forever.

He expressed interest in Dulles' statement Tuesday that free elections were not the only way to reunify Germany. But he contended that Dulles "did not come up with a constructive alternative" to the Soviet plan.

Modifies Remark

Dulles modified his news conference remark a bit, saying through a spokesman that free elections afford the most natural and practical method. But his mention of possible other methods—his first such suggestion in years—could introduce a degree of flexibility in the U.S. position in case the Russians seriously want to negotiate.

State Department officials said Mikoyan's cross-country tour appears to have been a great success from the Soviet viewpoint. But they have found little evidence of a real Soviet willingness to make any concessions to solve the East-West dispute over Germany.

Most Without Protection

Insurance for Student Drivers Asked in Ohio

COLUMBUS, Ohio (AP)—Every youngster who takes a driver training course in an Ohio school also takes a risk, safety and education officials admit. They hope the legislature will do something about it.

The director of safety and education for the Ohio State Auto Assn., Charles D. Vibberts, explains it this way:

"Because of an Ohio attorney general's ruling, the 710 schools in the state which offer driver training cannot take out liability insurance for youngsters taking the course.

"Unless the parents arrange coverage—and I can tell you very few have—the youngster is not protected. Those who teach the course usually have some kind of coverage as a matter of personal protection.

"We hope the legislature will amend the law to permit insurance protection."

Vibberts and P. C. Bechtel, head of the State Education Department's Health, Physical Education, Recreation and Safety Sub-Division, agree that driver training in Ohio costs about $34 per student, approximately the national average for such courses.

Records indicate no school is using more than one car. All are equipped with dual controls. Between 650 and 675 of the 710 cars now being used are supplied by automobile dealers in communities near the school, Bechtel says.

4th Democrat Seeks Council At-Large Seat

Mrs. Jacob Obtains Petitions, Will Join Battle for Nomination

Mrs. Norma Jacob, 35, incumbent Fifth Ward councilman, took out petitions at the board of elections today for Democratic nomination as councilman-at-large.

The fourth Democrat to seek nomination to the post in the May 5 primary, Mrs. Jacob is employed as a consultant with the Sonotone House of Hearing on S. Prospect St. She is the wife of George T. Jacob, district manager at Sonotone here.

Born in Farmington, Mo., Mrs. Jacob come to Marion about 12 years ago from Cleveland. She is president of the Marion County Democratic Women's Club and is completing her first term on council.

Mrs. Jacob is a member of St. Mary Catholic Church, treasurer of the Marion County Society for Crippled Children and Adults and is affiliated with Beta Chapter, Y-Gradale Sorority. She resides at 206 S. State St.

To date, only one Democrat has filed for the council-at-large post. He is LeRoy Emery, 40, of 326 N. Greenwood St. Others circulating petitions are Harold Smith, 66, of 396 Park St., an incumbent, and Edward E. Murphy, 31, of 383 W. Church St.

A maximum of three candidates for councilman-at-large will be nominated from both parties at the May primary. Two Republicans have announced their candidacy for the post.

Marshall 'Satisfactory'

FT. BRAGG, N.C. (AP)—Gen. George C. Marshall, 78, who suffered a slight stroke, is in satisfactory condition in a hospital here, his doctors said Thursday night.

Marshall was stricken Thursday at his home in the resort town of Pinehurst, 60 miles away. He was brought here by ambulance to the new Womack General Hospital and given a private room. His wife took a room nearby.

Sharp Contrast to O'Neill Claim

Surplus Set by DiSalle At Less Than $1 Million

COLUMBCS, Ohio (AP) — Gov. Michael V. DiSalle says Ohio wound up 1958 with less than a million dollars in uncommitted cash reserves.

The figure contrasts sharply with the claim by former Gov. C. William O'Neill of a 20-million-dollar surplus at year's end.

DiSalle announced his figure after a two-hour meeting Thursday with Finance Director James Maloon.

The new governor said traditional bookkeeping methods were used to compute the amount.

These same methods indicate that the state surplus dwindled about 77 million dollars during the last two years, he said.

During the O'Neill administration, DiSalle told his news conference, a major bookkeeping change was to drop the monthly practice of setting aside one-third of the state's quarterly school subsidy payment.

Last month, under the old system, $16,333,000 would have been set aside to meet the quarterly payment due in February, DiSalle explained. Since it wasn't, that gave the state that much more of a surplus under O'Neill's calculations.

Additionally, DiSalle said, nearly three million dollars' worth of miscellaneous small liabilities — $50 or less — were not included in O'Neill's figures.

Total liabilities not counted by O'Neill came to more than 19 million dollars, DiSalle said.

Band Parents Plan Activities at Martel

Plans for a ham and turkey supper were announced at the Wednesday evening meeting of the Martel Band Parents Association held at the school.

The supper, which will be served at the school, will begin at 5:30 p.m., Feb. 7.

It also was announced at the meeting that the group will sponsor the Ashland College Touring Choir in a concert at the school Feb. 25. Calvin Y. Rodgers, a graduate of Oberlin College and Eastman College of Music, conducts the mixed vocal group.

Ushering on the night of the concert will be the school's band members. Concert tickets will be 75 cents for adults and 30 cents for school children.

Beginning next week the band parents will take orders on home-made bulk and link sausage, lard and spareribs.

Members are butchering the hogs themselves and making their own meat. Any member will take orders. The meat also will be available on the night of the supper.

Reports on Claims

COLUMBUS, Ohio (AP) — Korean War veterans have received $58,374,656 reported C. W. Goble, director of the Korean Conflict Compensation Fund. The average has been $247 for living veterans and $340 for next-of-kin. There are 9,080 unsettled claims and 225,661 veterans have received payments.

Claridon Music Students To Take Part in Concert

Fifteen Claridon High School students will take part Saturday night in a District 2 band and chorus concert at Gibsonburg. The concert is sponsored by the Ohio Music Education Association.

Band members who will participate are Glen Beers, Patt Burton, Sue Earl, Ruth Gill, Joan Haley, Phyllis McCoy, Shirley Mitchell and Dick Reed.

Members of the choir who will make the trip are Virginia Adams, Jo Ann Baumgardner, Don Burton, Rose Marie Creasap, Jack Gruber, Don Lusch and Karen Neff.

Miss Earl also has been chosen as a member of the clarinet section for the District 2 music conference to be held Jan. 25 at Port Clinton.

Restore Lost Funds

HELENA, Mont. (AP)—A lost billfold prompted state representatives to dig into their pockets Thursday.

The billfold containing $45 was dropped by page boy John Dahl, 14, of Helena, apparently while operating the House elevator.

The ninth grader reported his loss. He later was called to the rostrum and given an envelope containing $45, donated by the legislators.

Jet Pilot Accidentally Ejects Self Through Plane's Canopy

OAKLAND, Calif. (AP) — Lt. Cmdr. Ralph Fielding shot himself head first through the canopy of his jet training plane at only 150 feet altitude. He accidentally had touched the ejection button. He escaped with a broken leg; no headache.

"It was quite a sensation," he said in Oak Knoll Navy Hospital. "They said I landed only six seconds after I touched the button. It's almost impossible to say how I really did feel. I was saved by my nylon elevator."

The 'chute opened automatically 1½ seconds after Fielding was shot not more than 50 feet above the plane—an altitude of only 200 feet.

A representative of the Martin Co. which made the British-developed Martin-Baker seat said this was its first emergency ejection. The seat has its own propellant and its 'chute opens automatically and virtually instantaneously.

Fielding, a flight instructor with VF 124 squadron at Moffett Field, near San Jose, Calif., was taking a refresher instrument flight with Lt. John B. McDaniel. As he turned control over to McDaniel, Fielding accidentally touched the ejection button.

Pedestrian Hit, Dies

HAMILTON, Ohio (AP)—Mrs. Grace Smith, 55, was killed by an automobile here Thursday night and her husband, Thomas, 56, collapsed of a heart attack when told of his wife's death. Smith was reported in fair condition at Mercy Hospital. Police said they were told Mrs. Smith stepped from behind a parked car into the path of an automobile driven by Ralph Nicol, 48, of Fairfield. Nicol was not held.

Rate of Fatal Accidents Drops in Patrol District

BUCYRUS — The fatal accident rate in the 10 Northcentral Ohio counties covered by patrolmen of District 2 of the State Highway Patrol took a definite decrease during 1958.

Lt. F. J. Horvath, commander of District 2, reported that a total of 3,169 accidents was investigated. Of this total, 69 were fatal, with 97 people killed. Also included in the total were 1,019 injury accidents, with 1,744 persons injured.

In 1957, a total of 3,480 accidents was investigated, of which 82 were fatal, with 101 killed and 2,270 persons injured. Marion is included in the district.

Coroner Dies

DEFIANCE, Ohio (AP)—Dr. D. J. Slosser, 75, Defiance County coroner since 1945, died of a heart attack Thursday at his home here. He was a past president of both the Ohio Coroners Assn. and the Defiance County Medical Society.

Donors Volunteer 200 Pints

Blood for Heart Surgery On Child, 4, Guaranteed

SANTA MARIA, Calif. (AP) — From time to time as Mike plays with his toys, the pain comes in his chest.

He knows, then, that it's time to go, sit in a corner and wait for it to happen.

It always does.

Mike faints.

When he wakes up, he rests until he is strong enough to play again.

This will go on, physicians say, for perhaps another three years. Then Mike, now 4, will die. Unless he has an operation.

Mike has heart trouble. There is a hole between two of the chambers of his heart. This makes his heart work too hard. When it slows down Mike turns blue.

Doctors at St. Vincent's Hospital in Los Angeles are going to patch up Mike's heart March 27. To do this, they'll need at least 60 pints of blood.

The going rate is $25 a pint. The hospital will accept blood in trade at the rate of two pints for each pint the boy needs

The Santa Maria Times, after an appeal for blood donors, announced Thursday that 200 pints have been offered.

Most of the volunteers are men at nearby Vandenberg Air Force Base.

Maj. Francis L. Manning, whose 392nd Field Maintenance Squadron offered 82 pints, told the paper: "Count on us for all the blood that boy needs."

Other Air Force units and other civic and religious groups swelled the total to 200 pints. The pledges are still coming in.

The cost of the operation will be borne partly by the Crippled Childrens Society, San Luis Obispo County. The rest is being raised.

Mike's mother, Mrs. Lynne Pappas, is divorced. She and the boy are living with her parents in nearby Arroyo Grande. She had to quit her job to take care of Mike.

Now a whole community has pitched in to help her.

Photo Taken at Party Leads To St. Louis Murder Charge

ST. LOUIS (AP) — A first-degree murder warrant has been issued against Charles E. Montague on the basis of a photograph made of his wife at a sorority party the night of Jan. 6.

The color photograph snapped by an amateur who was concentrating on another subject, showed a profile of Mrs. Ruth Ann Montague, 32, mother of two. She was wearing a large golden earring.

Thirteen hours after Mrs. Montague left the party, her body was found in her car, parked across the street from the apartment house where the party was held. She had been strangled. Her body had been mutilated. No earrings were found on her body or at the scene.

Montague was arrested Tuesday for further questioning. Officers said they found on him a pair of earrings which match the one shown in the photograph. They said Montague told them he found the earrings in his apartment.

Circuit Atty. Thomas F. Eagleton issued the murder warrant Thursday after viewing an enlargement of the snapshot. At the time, Montague was seeking a court order releasing him from Malcolm Bliss Mental Hospital. Police committed him on suspicion of being a dangerous person after Montague, 34, had won a court order Wednesday releasing him from jail.

Montague has been returned to the hospital. He is a ward of the St. Louis Court of Appeals until it rules on his petition for release from the hospital. If and when he is released, he will be arrested on the murder charge, Eagleton said.

Council of Churches Is Formulated in Kenton

KENTON — Organization of a Kenton Council of Churches has been started here by a committee headed by Harry Gordon. The council is being formed to co-ordinate and initiate activities designed to promote the spiritual growth and general welfare of the community. Churches represented are the First Baptist; the Church of Christ; Epworth Methodist Church; First Methodist Church; First United Presbyterian Church; Trinity United Presbyterian Church; First United Church of Christ; St. John's United Church of Christ, and the Salem United Church of Christ. Other protestant churches in the community have been invited to affiliate with the council.

Next meeting to be held will be Feb. 8 at 2:30 p.m. at the First Methodist Church.

Fund Goal Set

CLEVELAND (AP)—In a two-week campaign opening April 26, a goal of one million dollars will be sought for Catholic Charities in the Cleveland Diocese. Construction of a diocesan home for the aged in Akron is one of the major projects for which the funds are sought.

Galion Planning Group May Consult Engineer

GALION — The procurement of engineering counsel was discussed by members of Galion's new Planning Commission, Thursday night.

Mayor Edward H. Jones who presided for the meeting will continue as the presiding officer. Service-Safety Director Paul Willhelm was chosen as recording-secretary.

The commission is composed of the mayor and service director, and three appointive members: Jay Nichols, Robert L. Moulton and Carl Weithman.

Galion Safety Council Elects Year's Officers

GALION—Vaughn Dukeman, assistant personnel director at Hercules-Galion Products, Inc., is the new president of the Galion Safety Council as a result of the annual election Thursday. The council is a division of the Galion Chamber of Commerce. The January luncheon meeting was held at Hotel Talbott.

Also elected to serve with Mr. Dukeman were John Schnelker, general foreman at the Galion Iron Works and Manufacturing Co., vice president, and Gene Keener, executive director of the Chamber of Commerce, secretary-treasurer.

Presiding for the meeting was James W. Fulton who has served as president. He is employed in the personnel department at the North Electric Co.

Members gave some thought to ideas for the 1959 programs, and left written suggestions with the secretary. Robert McNeal, the new coordinator of the vocational shop department at Senior High School, was a guest.

An amendment to the by-laws was adopted.

Mt. Gilead Bank Elects '59 Officers, Directors

MOUNT GILEAD—Mount Gilead Stockholders of the First National Bank met this week at the Bank and elected the following directors, J. Ewart Bruce, Frank Slavik, E. T. Snyder, Gale B. Weller, Charles W. Birdsong, John M. Stone and John C. Wilhelm.

No replacement was named on the board for the late Charles Vanatta. Directors then elected the following officers: J. Ewart Bruce, president; Frank Slavik and E. T. Snyder, vice presidents; Dan Eachus, cashier, and Ed Smith and Aldeane Philbrook, assitant cashiers.

Cooper Trophy Is Awarded to Fair In Morgan County

COLUMBUS, Ohio (AP) — Morgan County has been awarded the Myers Y. Cooper trophy for staging Ohio's best fair in 1958.

The presentation was made Thursday night at the closing session of the Ohio Fair Managers Assn.'s 34th annual convention here.

The association elevated first vice president Russell W. Alt of Baltimore (Fairfield County) to president, succeeding James D. Murray of Napoleon.

The post of first vice president went to Bryan P. Sandles of Springfield, who had been second vice president.

Merle Stacy of Marietta, a member of the State Board of Agriculture, was placed in line for the presidency when the more than 1,000 delegates elected him second vice president.

The four finalists for the Myers Y. Cooper trophy, named for the late Ohio governor, each received a plaque for having the best fair of its size. Besides Morgan County, the other finalists were Wood, Muskingum and Hardin Counties.

Hardin County's 1958 Fair was awarded first place in the state in Class C competition at the convention.

United Appeals Meeting

(Continued From Page 1)

Dudley B. Reed, R. Dan Smith and Dr. W. Neil Price.

Mr. Kuhn appointed the executive committee and the retiring officers to serve on a personnel committee, working toward replacement of Edwin J. Kinter, executive secretary, who has tendered his resignation, effective between now and June 30.

Reading of the minutes from previous meetings revealed that the executive committees of both United Appeals and Community Foundation met in December with a representative of the Ohio Citizens Council for Health and Welfare to discuss recruitment of a full-time executive secretary for the two groups, as advocated by Mr. Kinter.

—:—

IN OTHER action Mr. Kuhn was delegated the authority to appoint a campaign chairman for the 1959 fund drive, Mr. Kinter was re-employed as executive secretary and Mrs. Charlotte Skillman as his secretary. Mrs. Skillman was awarded a $25 monthly increase in salary. The two were employed in joint action by United Appeals and Community Foundation.

An auditor's report submitted by Earl Manter of Smoot, Roush and Manter was presented in both annual meetings. The percentage of uncollectable campaign pledges from the fall drive was listed as six. The high figure was attributed to economic conditions at the time of the drive.

Upon turning over the gavel to Mr. Kuhn, Mr. Conkle received a unanimous vote of thanks from the membership for his work during the last year.

Elected to serve with Mr. Dulin as officers in Community Foundation were Mr. Reed, first vice president; R. Dan Smith, second vice president; Mrs. O. H Gearhiser Jr., secretary, and John P. Courtright Jr., treasurer.

Elected to serve three-year term on the Community Foundation board for the first time were James Burris, Ivan Barnhart and William Payette. Re-elected to the group were Dr. R. R. Williams, Dr. Smith, Richard D. Myers, Mr. Courtright, T. L. Hufert and Robert H. Van Sickle.

The slate of nominations was presented by John Head, chairman of the nominating committee, and won unanimous approval.

—:—

AMENDMENTS to the Community Foundation constitution were approved as proposed by J. E. Oliphant, chairman of the constitution revision committee. Changes included finer delineation of officers' duties and clarification of fund-raising policies.

Annual reports were presented by representatives of the eight participating agencies.

Agencies, officials presenting the reports and the highlights were as follows:

Boy Scouts, Karl Bechtle, president of the Harding Area Council, membership of 2,720 in the council with 104 units; largest attendance at summer camp in history with 678; plans to expand the program to meet needs of growing enrollment.

Family Service Society, the Rev. C. Harrison Ludwig, president of the board; 2,376 interviews with 284 different clients; addition of a clinical worker on the staff.

Girl Scouts, Mrs. Reed, executive director, Indian Trails Girl Scout Council, employment of new district director, Mrs Nancy Lyle; increase in summer day camp attendance; membership of 934 in Marion County and purchase of 162-acre camp site in Morrow County.

Dental Clinic, Dr. Thomas Wagner, treasurer; 182 hours of service rendered; 381 patients treated and a large waiting list remaining.

Mental Hellth Clinic, Dr. R. R. Williams, president; 188 patients seen in six-month period of operation; shortage of professional personnel forcing curtailment of service with psychologist and psychiatric case worker needed.

Union Rescue Mission, the Rev. Robert Wamsley, superintendent; strengthening rehabilitation program with stress on religious guidance; help to needy families through distribution of clothing and furniture collected by men staying at mission.

Salvation Army, Maj. James Hall, commanding officer; 645 youth sessions with 17,175 total attendance; children's summer camp attendance of 145, and 11,238 enrollment in summer playground program.

YMCA, Robert S Morrison, board president; growth of adult program department; renovation of Club Co-Ed; new courses in girls' program and family camping.

—:—

PRESENTING THE president's annual report, Dr. Smith cited the need for closer understanding between agencies and the public in the future. He explained that the agencies are working under a hardship because of reductions in budget due to the United Appeals drive falling roughly $14,000 short of its goal. He commended the agencies for their cooperation and fine work.

The retiring president was hailed for his leadership. Minutes of the last Community Foundation meeting were read by Mrs. Robert A' Axe, retiring secretary.

The crowded evening of United Appeals and Community Foundation activity was introduced with an awards dinner at 6 p.m. in which plaques were presented to 67 firms which attained their quota in the fall campaign.

The dinner, held at the YMCA, drew nearly 100 persons. It was sponsored by the Marion County Association of Insurance Agents.

—:—

DR. SMITH presented Mr. Kinter a plaque recognizing him for his outstanding service as executive secretary to United Appeals and Community Foundation. In making the presentation, Dr. Smith declared that Mr. Kinter "has upgraded United Appeals in Marion County and given it a real professional status. His efforts have been beyond the call of duty."

In accepting the plaque, Mr. Kinter said that he has enjoyed his work immensely, adding. "I hope to continue participation in United Appeals and Community Foundation after leaving the post of executive secretary."

Mr. Kinter reaffirmed his belief that Marion County is now ready for a full-time executive secretary. "It has grown to the point in health and welfare affairs where it needs the experience of a full-time man," he said.

Robert H. Van Sickle, chairman of the 1958 drive, was presented a plaque in recognition of his service by Mr. Conkle.

Commending Mr. Van Sickle for his leadership, Mr. Conkle also praised the employes of the 67 firms who sent their quota over the top. "You have given United Appeals and your firm a good advertisement," he explained.

In awarding the plaques, Mr. Sickle pointed out that achieving the quota in the face of a higher goal and adverse economic conditions last fall was an accomplishment in which to take pride.

and where rent is charged, it varies with the community.

"It's a personal opinion, but I think the time will come when school boards will have to buy cars, just as they do other equipment, and not depend on outside sources," Vibberts adds.

At present, 830 teachers, 14 principals and 13 superintendents are teaching driver training at 166 city, 456 county, 69 exempted village, 15 private and parochial, and four state-supported schools

Lakewood and the Ohio School for the Deaf at Columbus were apparently the first in Ohio to offer the course, during the 1935-36 school year. The next year, McGuffey and Stewart schools in Oxford also offered the training. A. K. Cook, who originally taught the class at Lakewood, is still active and apparently senior among Ohio driving training instructors.

—In 1942, responsibility for such instruction was put upon the State Education Department by state law.

Only one fatal accident is noted on the records. It occurred several years ago in southeast Ohio.

Ohio law calls for 60 hours of instruction, 36 in the classroom. A minimum of six hours must be spent behind the wheel. Parents have to give written consent, and the student must be at least 15. Where the youngster is not at least 16, the instructor requests a restricted temporary permit.

Police Reports

Raymond Dunn of 315 S High St reported that an apparently large man was in his home about 9:30 Thursday night. He said dresser drawers in second floor bedrooms were searched by the intruder but nothing was missing. Police reported they found the intruder's tracks in the snow and that he apparently wears a size 12 or 13 shoe They followed him from the rear of Mr. Dunn's residence to the 100 block of Bain Ave where the tracks were lost among others. Police reported no sign of forced entry into the house.

—:—

Orville Turner of 160 Lincoln Ave. reported both door handles broken off his car and a right rear window glass broken out. He said the car was parked at his residence.

Marine Aviation Cadet Program Is Back in Operation

"Devil Dogs of the Air" this month will take up where they left off 17 years ago, as Marine recruiters and special selection teams start taking applications for the recently restored Marine Aviation Cadet program (MARCAD).

S Sgt Gerald Beckett and S Sgt. Allen Lowe, local Marine recruiters, announced that the 18-month course will be given at the Naval Air Training Command at Pensacola, Fla. Accepted applicants will enlist directly in the Marine Corps and will be commissioned as second lieutenants upon successful completion of flight training.

Pre-flight training for the first group of MARCADS is scheduled to begin in July.

Each MARCAD applicant must sign up for at least three years of active duty following flight training and must be at least 18 and not older than 25 upon application.

Those interested in the program may obtain further information from the recruiters at City Hall. Hours are 8 a m to 5 p m. on week days and 8 a m to noon on Saturdays. Appointments can be made in the evenings by calling either 3-3317 or 2-9855.

Sgt Beckett or Sgt Lowe will be in Kenton on Mondays, Bucyrus on Tuesdays, Carey on Wednesdays and Upper Sandusky on Thursdays to interview applicants for the MARCAD program or for regular enlistment.

Deputy Sheriff Resigns

Deputy Sheriff Floyd Williams, 30, of 322 Fries Ave. left the sheriff's department today to begin employment as a guard at the Marion Correctional Institution. He had been a deputy here since January 1956. No replacement has yet been employed, deputies said this morning.

Radio and Television

By JOHN CROSBY

New-Type Western

The new CBS show, "Rawhide," which replaces Jackie Gleason, fills an aching void in the television schedule. It's a Western, something we don't have enough of. At least, according to producer - director Charles Marquis Warren, there aren't any of this kind of Western.

JOHN CROSBY

Specifically exempted are all scripts dealing with—let's see, now — Indians, cattle barons stopping the drive for personal gain ("Yo' keep yo' cattle off mah land"), permission denied to cross a river, fast but tired gun vs. impetuous young kid, father-son stories, parched (or who-took-the-waterhole) drivers, stagecoach accidents, ghost towns, stampedes and lynching.

That seemed to sweep the ground right out from under the whole Western genre.

-:-

ACTUALLY, it doesn't. "Rawhide" is about a cattle drive, putting the emphasis back on cows, who have been terribly neglected in recent Westerns.

"People forget," says Mr. Warren, "that cowboys dealt mostly with cows. The trail boss on a cattle drive is our hero and we've got a great guy for it — Eric Fleming."

Besides cows, the "Rawhide" people have stumbled across another great gimmick—sex.

The first episode last Friday contained that overripe lollipop, Terry Moore, playin' a bad 'un.

Miss Moore is part of a wagon-load of prisoners creaking across the plains. Just to give you an idea how enlightened this series is, there's a sequence where one of Miss Moore's jailers fetches her a clip 'cross the chops which could be heerd clear up Laramie way.

-:-

SAYS ONE of the heroes through his clenched teeth: "Is thet a way to treat a woman?"

Says the jailer through his clenched teeth: "Woman! She's more wildcat than woman."

At this point, Miss Moore picks herself up, flounces at the hero, tosses her mane, and sneers: "I don't need he'p from you."

Man, you cain't hardly get dialogue like that no more!

"Rawhide" opens with a wide shot of cows — miles of cows. When the cows get out of the way, we see countryside. There are beautiful shots of country—if you like trees. And if you don't, there were shots of Miss Moore—if you like girls. And if that doesn't appeal, there are all those cows.

If you don't like trees, girls, or cows, I don't know that I can he'p you, son. In fact, I don't think anything can he'p you.

-:-

THE WHOLE SERIES will revolve around incidents of a cattle drive from San Antonio to Sedalia, Mo. Much of the flavor of the series has been distilled from a book called "The Diary of a Cattle Drive," or "I Bin Through Hell," by a man named John Holden who wrote it in 1865.

"Rawhide's" trail boss hero, Eric Fleming, is an actor who looks like one of those Viceroy men who think for themselves. He has a young sidekick played by Clint Eastwood who is training to be a trail boss.

"Like our hero," says Edgar Peterson, executive producer, "Holden was a New Yorker who was left in the West after the Civil War without money. The only reason these guys worked cattle at all was for money. They hated cattle and hated steak.

"We've found out a lot of little known things about cattle drives. Did you know that the only things that'll stampede cattle are thunder, lightning and nervous wind? You can shoot a gun off all day and the cows'll just stand there and look at you. We tried it.

"The real cowboys finally ambled up to us and told us we were just wasting our time."

-:-

IN THE OPENING episode, the cattle drivers stop a jail break out of a prison van and then Fleming and Eastwood are stuck with the enviable task of getting that "wildcat" and her tatterdemalion crew of cons — one wife killer, one mute Indian, one unjustly convicted soldier — to Ft. Scragg for trial.

Well, sir, with mad Luke chasing 'em from behind and one more river to be crossed up front and sexy Terry on the driver's seat, there were adventures galore before Luke shoots Terry Moore in the belly, which is where all the girls are getting it this year.

(Next year the girls are going to start shooting back. First man to have a girl gun-totin' sheriff as heroine will make a fortune.)

Among other assets on what looks like a pretty good Western series, there is a smidgen of characterization in the scripts and a theme song, "Rawhide," bellowed by Frankie Laine.

Three Indian Children Killed in Arizona Fire

PHOENIX, Ariz. (AP) — While their mother lay critically ill in a hospital here, three Indian children burned to death on the Cocopah Indian Reservation Thursday night.

Hospital authorities are trying to keep news from pretty Mrs. Elaine Jim, 23. In a two-month battle against cancer she has constantly said, "I want to live for my children."

Her children — Sherrill, 5½, Frederick, 3, and Alfred Jr., 19 months — were trapped when flames engulfed the adobe home of their grandparents, Mr. and Mrs. Pedro Jim. The grandparents escaped.

TV Highlights

TONIGHT

6, WBNS, Explorer: Ahyo, the super-intelligent man from remote space whose mission is to destroy our entire galaxy, falls victim to an old-fashioned belt on the button administered by Commander Buzz Cory.

7:30, WTVN, Rin Tin Tin: Hillbilly Jeb Crawford, armed with an ancient turkey rifle "Ol' Betsy," attempts to rescue Lt. Rip Masters and a squad of troopers captured by Comanches while attempting to construct a bridge.

7:30, WLW-C, Northwest Passage: Filmed adventures of Maj. Robert Rogers and his Rangers during the French and Indian War.

7:30, WBNS, Hit Parade: Johnny Desmond and Dorothy Collins co-host the musical program featuring the top tunes of the week chosen by the Billboard poll. There will also be a special salute to the top songs of the past and top album of the week.

8, WTVN, Walt Disney Presents: A sympathetic view of children shows the adventures of an Indo-Chinese village boy, Ayot Van Koehn, with his pet baby elephant, Nick. Filmed in the Cambodian jungle and utilizing a native cast, the story follows Ayot from the time he captures the animal in the ruins of the ancient Buddhist temple until the day he sorrowfully chooses to free it.

8, WLW-C, Adventures of Ellery Queen: Ellery Queen is hired by the State Department to determine whether a young claimant is heir to the throne of a Southeast Asia monarchy before the people turn to Communists for leadership.

8, WBNS, Rawhide: A new hour-long Western series dealing with the American legend of the annual cattle drive by the small ranchers of West Texas. Eric Fleming will star as Gil Favor and a new discovery Clint Eastwood will star as Rowdy, running leads of this series. No Action Set On TV Critic, Attorney Says

NEW YORK (AP) — Columnist Marie Torre will not be asked again in court for at least a year to reveal the source of an item she wrote concerning Judy Garland, the actress' lawyer said Thursday.

Miss Torre, radio-television columnist for the New York Herald Tribune, Wednesday completed a 10-day jail term on a contempt charge for refusing to name the source.

She had faced a possible new sentence if she again had refused to answer.

Miss Torre attributed her information concerning Miss Garland to a Columbia Broadcasting System executive. But in a pretrial examination of a $1,393,333 libel suit brought by the actress against CBS, Miss Torre declined to identify him, invoking freedom of the press under the First Amendment.

Lionel S. Popkin, attorney for Miss Garland, told a news conference today he had concluded the pretrial examination.

Single School Board Adequate

Some of the objections raised in recent meetings to the one-district school plan for Marion County are not easy to answer.

The criticism from some of the present school districts that too much distance would be involved in sending their high school students to Ridgedale or one of two proposed new high schools is a reasonable comment.

Even on that point there is an answer, which is that no plan of this scope can be absolutely perfect and the benefits to be derived from the one-district program might outweigh the disadvantages.

The objection to the 6-2-4 concept for grade, intermediate and high school instruction is a technical educational problem which involves, in part, the maximum utilization of present and proposed facilities.

A third criticism has been advanced that a single school district for Marion County would be too much of a job for one five-member board, and with this we do not agree.

There are approximately 4,500 students in the Marion County school system and 7,400 in the city, and the Marion city schools get along very nicely with a single five-member board.

For that matter the whole county is administered by three county commissioners, who have in a sense both administrative and legislative functions.

It may be that sometime in the future, as rural school districts get larger and larger, serious consideration will be given to increasing the number of school board members.

Nevertheless, in our opinion the Marion County schools could be administered very nicely right now by a single board.

Dissolution of present local boards should not be a factor in the consideration of the one-district system, but apparently it is.

Assignment for a PR Expert

Settlement of the last of the airline strikes that turned the recent holiday season into a nightmare for air travelers clears the way for a public relations assignment to repair some of the severe damage to the prestige of the most admired occupational group of the aviation era.

The men who sit in the pilots' seats, the engineers who take charge of the intricate mechanism of the modern airplanes and the mechanics who do maintenance work all have had a part in destroying the public's admiration for them as the dedicated selfless servants of the age of flight.

Even though this was done to win a wider margin of occupational security, the effect on public opinion cannot be disregarded. Even the airline stewardess, it turns out, is not immune to the job dissatisfactions that beset us groundlings.

This discovery that people who were considered for so long to be impervious to dissatisfaction was bound to come some time. It happened in other eras to teamsters who drove six-horse spans, to locomotive engineers and to supermen who drove trucks. All of them finally revealed that they did not regard what they were doing with the same sense of high privilege that made their envious admirers' hearts beat faster.

Even the supremely lucky people who had jobs with the circus turned out to be as preoccupied with mundane matters as the rest of us, and thereafter the circus was never the same. An illusion was shattered.

It is too bad it had to happen to the heroes of aviation; it takes something away from the fascination of what will continue to be for most of us a thing of glamor and fascination. Henceforth, it will be difficult to forget that our heroes and even our heroines are only workaday people like the rest of us, preoccupied with crass materialism and fringe benefits.

Production Is Our Sunday Punch

The wave of remorse and misgivings that has been washing over American pride ever since the Soviet Union took a commanding lead in cosmic rocketry and proved it could hold it has drowned out a key fact.

The Russian success was the result of two known and freely admitted circumstances.

First was the Russian roundup of the cream of the German rocket experts after the end of World War II. These people were taken to Russia and given every possible inducement to work at top efficiency in their specialty.

Second was the Russian government's early adoption of a planned project of cosmic rocketry. The United States, meanwhile, was working on a smaller scale with military rocketry, using a smaller number of German experts to guide it through the mysteries of a new branch of science.

The impression that this country came off second best in a contest of scientific skill because it lacked the potential know-how and Russia possessed it is only half true. Russia took its skill in the early stages from the Germans, just as the United States did.

Thereafter, Russian rocketeers were working toward a fixed goal that even now the United States has not duplicated. It has no cosmic rocket program in the sense that Russia has one. Its primary interest is still military rocketry, and its long-term dependence for the success of that program is still what it always has been — capacity to produce what it has decided to build.

Production was America's "secret weapon" in World War II. It has been the secret of this country's high standard of living — mass production. Even the atomic bomb, on which the United States had a monopoly for a brief time, was not an American scientific secret but a triumph of American production.

If there needs to be a straw to grasp, to save American composure while Russian cosmic rockets are reaching as far as the sun, itself, it is the thought that this country's productivity never has been equaled.

It has borrowed ideas from every place in the world and applied them to its advantage by mass production. It has contributed its own fair share of new ideas in exchange for the ideas of others. And if the time comes when men and nations must make rockets in masses to prove their right to exist, rockets will roll off production lines in America like the American-made automobiles and airplanes that are the world's standards, because they can be produced efficiently in great numbers.

Young-Lausche Feud Is Silly

It is to the credit of Sen. Lausche that he has done nothing on his part to add fuel to the fires of newly elected Sen. Young's red-hot resentment for what happened in the latter's campaign against John Bricker.

Sen. Lausche did not actively support Young in his race for the Senate. He did not oppose him, nor did he announce that he was going to vote for his opponent as he did when Sen. Taft ran for re-election against Joe Ferguson in that memorable race in 1950. He did only what most Ohio Democrats did, in the light of the fact Mr. Young, a relatively weak candidate, was running against one of the state's political champions. He laid off.

Going down the party line never has been the secret of the Lausche career in politics. There was no reason for him to go out of his way in 1958 to put aside his trademark of independence. Moreover, he had taken a stand against compulsory unionism, which was to be the issue that divided Ohioans at the polls. With Steve Young having committed himself on the other side of the basic issue, Frank Lausche could not in good conscience support him.

Sen. Lausche's term ends in 1962. What he will choose to be in congressional political divisions between now and his run for re-election, if he makes it, in 1961, is going to be his own decision. But it will be a surprise if he quits being a political independent, because it was as an independent that he made his record as a long-term governor and won election to the Senate over George Bender in 1956.

Sen. Young, who wants to believe he scored a party-line victory over Sen. Bricker last Nov. 4, would do well to remember that Ohio's senior senator also knows a thing or two about Ohio politics and has the victories to show for it. Being a non-party-liner may have been a heinous crime by hindsight last Nov. 4, but it had paid off handsomely for Frank Lausche in many an election before then.

The Once Over

"Gov. Pat Brown of California suggests to Mikoyan a future peace conference there, possibly under the redwoods."—News item.

Meet us 'neath the giant redwoods
Out where nature does the most;
(Even if we make no progress,
We can hold a frankfurt roast.)

II

How about a summit meeting?
We could give it showmanship,
With cute majorettes performing
As our brass band "let 'er rip."

III

Bring on Khrushchev and his players!
End all threats and warlike notes
Through those drill squads spelling
"FRIENDSHIP" . . .
And huge decorated floats.

IV

California awaits you;
Let both sides the fray begin;
We at least can know the score and
SEE WHAT PERIOD WE'RE IN.

Eric Johnston threw a big banquet for Mikoyan. (Was this to support a promise "I can get you in pictures"?) Maybe Hollywood plans a film for the deputy premier "Around the Free World in 80 Ways." Or perhaps a comedy, "The Supermarket Inspector." Other possibilities: "The Inn of the Sixth SCRAPPINESS," "Bear on a Hot Tin Roof" and "A Nyet To Remember."

When moon travel becomes possible, among first to land will be Fuller Brush agent, lads selling magazines to work their way through college and fellow selling waterfront lots. Right behind will be a bunch of crooners with ukulele and mandolins.

Detroit says an auto run by turbine gas engine is near at hand. A lot of drivers give the impression it's here now.

Next thing in the telephone field is to be the "drive-in phone booth." You won't exactly drive in, but you will be able to drive up and make a call without leaving the car. Even if you get the wrong number it will be with less effort.

The Salesman

Important Message

By David Lawrence

President Eisenhower may have thought he was addressing the most important audience in the nation when he talked to both houses of Congress, but he was mistaken. His audience at a 50th anniversary celebration of the National Press Club of Washington was really more important.

Lawrence

For, in his address to the Congress, the President revealed the national and international policies of his administration. To the press he revealed Dwight Eisenhower—the man, the soldier, and the chief executive of the most powerful government in the free world. He spoke to far more newspapermen than are eligible to attend his usual press conferences at the White House.

CONTRARY TO the insidious propaganda that has in recent months been spread in America, Mr. Eisenhower was no invalid standing before the members of the press, nor an individual, as sometimes pictured, indifferent to the cares of his office.

No "part time" president of hesitant speech stood before the assembled newspapermen and their associates but a chief executive of erect bearing whose ruddy face, alertness and directness of speech gave an even better impression of health and vigor than six years ago when he was inaugurated.

Dwight Eisenhower has his critics — they differ with him vehemently on public questions. But few persons who have watched him in public office would deny that he has an innate graciousness and kindliness toward his fellow man, natural and spontaneous, which is his biggest asset.

WHEN THE PRESIDENT was asked by the newsmen to do a bit of reminiscence about his work as head of the Allied Armies in World War II, he did so with characteristic modesty. He gave credit to his associate commanders and to his staff.

He conceded that there had once been doubts among our allies as to how the war should be fought—whether the invasion of Normandy was wise and the length of time it might take to achieve victory. "But," he said, with a smile, "we won."

Looking back to those fateful days of the war when the lives of millions of American and Allied soldiers depended upon the wisdom of judgement of the commanders, one wonders why today there are even a few misguided persons writing for the press or making partisan speeches who would question for a moment the fidelity to his job which Dwight Eisenhower as a man of military tradition gives to the constitutional office to which he is bound by oath to serve faithfully.

ARGUMENTS ON public policy involve natural differences of opinion and there is justification for sharp debate on issues and principles. But respect must be given to the chief executive as a person, especially when he is honestly trying to carry out the duties of his office.

As a president, Mr. Eisenhower will rank high in history, not because he has succeeded in every policy but because he has dealt earnestly and sincerely with some of the most frustrating problems that ever faced a chief executive in our history.

Even as he spoke at the National Press Club, he was not able to give off-the-cuff the detailed or comprehensive answers which some of the newsmen wanted. But no president can enunciate policies in impromptu fashion. He can explain their background but in a "cold war," with every word that a president says cabled immediately around the world, it becomes necessary to be both cautious and restrained.

The presidency itself is today an impossible job. The public expects one man to be policy maker, administrator, debater, showman and leader of popular causes, and, with all that, to make progress in government, notwithstanding that the opposite political party has an overwhelming majority in both houses of Congress.

Some day the American people will have to face up to the fact that they must adopt a Cabinet system of government as an integral part of the national legislature so that leadership may come from the ranks of the legislators of experience, as in the parliamentary systems abroad.

A Little Bit Crazy

-By Truman Twill

There is no reason to doubt the claim that everyone is a little bit crazy.

As far as I am concerned, the difference between those of us who claim to be sane and others less fortunate than we are who have adjudged otherwise is our ability to skip from one state to the other.

At this very time there is a new idea in the treatment of mental patients based on this skipping ability. If the patients could be stimulated to think about things in areas of their intellects where they have continued to be sane, it is contended, they might stay in balance.

I have been thinking about the subjects on which I admit I am a little bit crazy. There may be others, but these are the ones I am most familiar with.

1. People who low-bridge the kind of people who never have met a payroll. This sets me off because I know of nothing reprehensible about never having met a payroll. Some of us are not employers.

2. The good old days. This phrase is supposed to convey the idea that things are deteriorating. But they were deteriorating in the good old days, too, contrary to the illusions of fat-heads who keep talking about the good old days as if they wanted to turn back the clock.

3. Southern-fried. It is more than my sanity can withstand to be reminded by this and other sicking phrases that sectionalism has been fostered in this country, to the point where a "southern" anything would seem to be a special claim to fame. In this area of my insanity, I concede no superiority to any section of the United States: That is how unbalanced a fellow can get when he goes off his rocker.

4. Legal technicality. I scream like a werewolf every time a thug, traitor, murderer, or rapist is turned loose because some legal beagle spotted a crack in the technical structure of the law and pried it open.

5. Native son. The man with the net comes rushing when this one sets me off. Nobody ever gets to be a native son, except by hindsight. The people who were glad to see him leave town never think of him again unless he does something important.

6. Tipping. I have a sense of persecution whenever I get wedged into one of those sweaty situations where a small potato like me is expected to peel off a bill to stay on the good side of some chiseler who could buy me out with the wad he carries in his wallet.

7. Recording artist. This one makes me turn my face to the wall and refuse nourishment. When I hear a noise in the living room like a cat caught in the washing machine, I know it has something to do with some recording artist who has been awarded a gold record for adding a new and horrible dimension to sound and wants to demonstrate it on TV because of a tie-in with the record company.

(All right, doc, you can set me free now. I'm over my seizure.)

Opportunity for Colleges

By Raymond Moley

In recent years everyone has been made aware of the financial difficulties of private colleges and universities.

With ever-mounting tax burdens and the steady flow of fortunes into foundations, a large part of the support formerly provided for the private institutions has been stopped.

Hovering over this real need is the shadow of more federal aid for scholarships and many other purposes once cared for by the institutions themselves.

Any considerable dependence upon such federal aid would endanger that independence and freedom of inquiry of which the great universities of the world have been the repositories since medieval times.

But money must be had somehow from some source to provide the higher salaries essential to attracting those singularly gifted minds which must always be the real heart of higher education, as well as the scientific equipment and library facilities needed to keep pace with the march of knowledge.

A NEW SOURCE of financial support, which is realized by many institutions in large cities, is the fees paid by students of all ages who are gainfully employed but have the capacity and desire for continuing education.

At Columbia University a sharp division of opinion has developed in the past year over the appropriate function of a university in the field of education and scholarship.

For many years Columbia has offered courses for students of all ages over the city who are able to give only part of their time to attendance.

These used to be called extension courses but in the past few years these have been included in a School of General Studies under Dean Louis M. Hacker, who has established much stricter standards of instruction and has broadened the base of its offerings. Many of its students have been of graduate status.

Then there was a committee of members of the university faculty, which made a report critical of Dean Hacker's program and which concluded that "the university can most usefully bring multiplying effects to bear in training scholars who will be teachers in colleges and universities" and also that "emphasis in graduate work should be on the training of PhD candidates."

With this report Dean Hacker sharply took issue and resigned as dean.

In his annual report, just issued, Dr. Hacker has elaborated his ideas concerning the usefulness of a university in a great community. His case is most convincingly made.

HE NOT ONLY points to the vast number of potential students among the otherwise employed in a city like New York, if they could be enrolled without passing through the routine of rigid entrance requirements but he challenges some of the sacred traditions of professional training.

Notably, he attacks the requirement for a four-year undergraduate degree before professional studies can begin. He very acutely points his finger at a means of tightening up high school and undergraduate instruction so that a person can enter his profession at an earlier age.

At present, the eight years of high school and undergraduate "study" are stuffed with soft courses, unnecessarily long vacations and low standards.

With a tightening up at those levels, doctors, lawyers and engineers and others might enter service to humanity at a considerably lower age.

During the war, shortened years of preparation, with less time for vacations, gave evidence of what can be done in toning up and hastening the training of a professional man or woman.

Most significant, too, are Dr. Hacker's figures concerning the large source of financial support available from the fees of students in his School of General Studies. Thus, the extension of educational opportunity to more people is not only a needed service to the community but a means of helping colleges and universities to make ends meet, without resort to the dangerous course of federal subsidies.

Stormy Petrel

By Hal Boyle

NEW YORK

"The biggest enemy of human progress is mental indolence," said Robert Maynard Hutchins, who will be 60 years old Saturday.

HAL BOYLE

"As Aristotle said, 'Learning is accompanied by pain.' Too many people won't go through that pain," he said. "The biggest mistake man makes is that he doesn't think through the question of just what is really worthwhile."

The onetime "boy wonder" of the educational world—he was secretary of Yale at 23, dean of its law school at 28, and president of the University of Chicago at 30—is still a figure of controversy as head of the Fund for the Republic.

AT 60 HE LOOKS 50. His crew cut hair is graying, but his 6-foot-3 frame shows no sign of a paunch. Nor does his mind. He is as ready as ever to fight for his ideas, but still professes surprise that his ideas stir up so much controversy.

"It is remarkable to me that people think of a critic in an adverse sense," he observed. "Criticism to me means appraisal. To most people it seems to mean attack. But to lay the basis for improvement in any field you first have to point out that things are not already perfect."

Hutchins has been assailed as an iconoclast, a cynic and a pessimist. He regards himself as more of an optimist, feels the general level of the world today is better than it has ever been, and is strongly hopeful of human progress.

"Yes, I am hopeful," he said, smiling. "But if pressed for specific grounds for my optimism I might be at a loss to explain why.

"I DON'T believe, however, that things just get better and better by themselves every day. A tremendous exercise of human will and intelligence is necessary to achieve progress.

"And I think that everything that is called progress isn't necessarily real progress.

"I do feel, what many of my contemporaries don't feel, a sense of crisis—and it has very little to do with the Russians. If all the Russians were to disappear tomorrow—or become Republicans—everything wouldn't be fine. We must find our own standards and our own purposes, and not measure our own effort by the activities of people we deplore.

"The crisis I feel is a crisis about the whole American tradition. The question is whether our own democratic institutions can stand the strains and pressures of a large, heterogeneous, bureaucratic society—whether the individual can stay free."

CONVINCED THAT civilization cannot withstand another general war, Hutchins sees only final disaster in a continued armament race.

Hutchins still feels American universities spend too much effort teaching students how to earn a living instead of developing their intellectual powers, still feels men will never learn to live reasonably until they first learn to reason better.

News of Other Years

40 YEARS AGO — The Nebraska legislature ratified the national prohibition amendment, completing the required 36 states necessary for national prohibition.

The Turkish garrison at Medina, a holy city in Arabia, surrendered to Arabian forces under King Hussein Hedjaz, relieving allies of the necessity of destroying forts on the Dardanelles as promised if the surrender was not forthcoming.

20 YEARS AGO — Positions of 40 employes of Division 6 of the state highway department, including that of Herbert R. Krebs, of Marion, were abolished by State Highway Director Robert S. Beightler as the new administration continued its job elimination campaign.

Rep. Frederick C. Smith of Marion sent a letter to Secretary of State Cordell Hull, relaying the protests of Eighth District sugar beet interests to any further reductions in the rate of import duty on sugar.

10 YEARS AGO — Government troops ceased all organized resistance to Communists as they moved into complete occupation of Tientsin, China's northern industrial commercial center.

New Trial Sought After City Loses Suit for Damages

City Solicitor Riley Hall said today he intends to file for a new trial in a $25,000 damage suit lost by the city Jan. 8.

A Common Pleas jury unanimously returned a verdict for $8,000 for Glenn R. Kellogg of 948 Merkel Ave., plaintiff in the action. He charged that the city was responsible for leg and back injuries suffered by his wife, Pauline, in Garfield Park the night of Aug. 15, 1956.

Mr. Kellogg alleged the city created a nuisance and was guilty of negligence for leaving a large fence post hole unguarded. He alleged his wife stepped into the hole and suffered injuries which required surgery and will require further treatment.

During the three-day trial, Mr. Hall based his defense on a contention that the city had created no nuisance and that Mrs. Kellogg was guilty of contributory negligence. Mr. Kellogg is represented by the law firm of Moore, Myers and Parsell.

Mrs. Kellogg also has filed a $50,000 suit in the case which has been assigned for hearing the first week in March.

Navy Commander Speaks to Y Men

Cmdr. Roger Metz of the U. S. Navy spoke to members of the Y-Men's Club at their meeting Thursday evening at the YMCA. He is commander of the Naval Reserve Training Station at Mansfield.

He spoke on the modern Navy, its weapons and the part it would play in nuclear war. He also discussed what part the Navy expected to play in the next 10 years. His talk was accompanied by slides showing ships and missiles the modern Navy expects to have in the near future.

Members discussed and made plans for a dance to be held by the club at the Marion Engineering Depot on Saturday, Jan. 3.

Theodore Disbennett was a guest.

Mail Penalty Charges Suspended Indefinitely

Postmaster General Arthur E. Summerfield announced today that he has ordered indefinite suspension of the five-cent charge on "short paid" mail, mail with insufficient postage.

The extension of the deferment has been ordered as a result of Congressional action designed to abolih the extra charge permanently by legislation.

Public Law 85-371, effective July 1, 1958, provided that a short paid charge in addition to the lawful postage should be collected from the addressee on delivery of mail not fully prepaid by the sender to cover the costs incurred The five-cent charge was adopted to cover the costs.

However, under authority contained in the law, the Post Office Department, on Aug. 1, suspended the 5-cent charge pending further study. This suspension had been scheduled to terminate Feb. 1, but will now be continued for an indefinite period, until a final Congressional decision on the matter is forthcoming, Mr. Summerfield explained.

Funeral Service Held For George M. Schelb

Attending funeral services in Marion for George M. Schelb Wednesday morning in St. Mary Catholic Church were members of his 1910 Galion High School graduation class, Walter Mason, Mrs. Inez Mitchell. Mrs Alma Godfrey and Mrs. Clara Pounder. The Very Rev. William J. Spickerman officiated and burial was in St. Mary Cemetery.

Mr. Schelb, a retired Erie Railroad engineer and native of Kalamazoo, Mich., came to Marion from Galion in 1912.

Among pallbearers were veteran Erie Railroad employes. The group was composed of E. O. Maloney, Robert Smith, John H. Wilson, Walter Bishop, Carl Werley and Dan McGinnis.

Men Bound Over In Burglary Case

James Henry Hornsby, 26, of 224 Elm St. and Robert H. Byers, 18, of 956 Gebhardt St. were bound over to the Marion County Grand Jury under $2,500 bonds each after each pleaded guilty in Municipal Court today to burglary charges.

They and a 17-year-old youth were accused by city police of breaking into Edna's Restaurant at Kenton Ave. and Hoyle St. early Tuesday.

Police said Byers admitted breaking out the door glass with an automobile door handle and then going inside with the 17-year-old to search for money. In his signed statement to police, Byers said that Hornsby remained outside as a lookout.

Failing to find any money, Byers said they took a box of cigars and went to the residence of another person on Scioto St. to watch television.

Charges will be filed against the 17-year-old in Juvenile Court, police said He is being held in the county detention home.

OFFICERS for the new year were elected at the Tuesday afternoon meeting of the Three Arts Club held at the Woman's Club Home on E. Center St.

Voted into office were: Mrs. Henry P. Stauffer, president; Mrs. Harry L. Smith, vice president; Mrs. Harold E. Foster, secretary; Mrs. C. N. Briggs, treasurer.

New members of the program committee are Mrs. Frank Fields, Mrs. H. A. Wohlschlag and Mrs. Dan O. Hubbard. Mrs. Ronald Selanders, Mrs. M. Tabor Adams and Mrs. Harold Augenstein comprise the nominating committee.

Hostesses for the dessert luncheon which preceded the business meeting were Mrs. C. N. Briggs and Mrs. Paul Knauss.

In keeping with the club theme of the year, "Women of the World," members named women authors in response to roll call.

For the program Mrs. Ronald Augenstein reviewed the book, "Green Grows Ivy," an autobiography of Ivy Baker Priest, past treasurer of the United States.

The next meeting will be Jan. 27, at the club home.

—:—

APPROVAL was given the 1959-1960 slate of officers presented by the nominating committee at the Jan. 13 meeting of the Woman's Century Club.

Twenty attended the meeting held at the new Virginia Ave. home of Mrs. Jay Maish.

Mrs. J. C. Turner presented a paper on "The Pioneer Woman" for the program. She was introduced by Mrs. Herbert Schroeder, program chairman.

The business session was conducted by Mrs. Robert Martin. The meeting ended in a social hour.

—:—

Miss Nussbaum Married Here to Charles Andrews

Miss Nancy Ann Nussbaum and Charles R. Andrews were united in marriage in a ceremony conducted in the First Presbyterian Church at 4:30 p.m. Sunday, Dec. 28.

The bride is the daughter of Mr. and Mrs. Harold M. Nussbaum of 296 Clover Ave. and the bridegroom is the son of Mr. and Mrs. J. H. Andrews of Richland Pk.

Officiating for the ceremony were the Rev. Jack T. Callander Jr. of Levittown, N.Y., a former college roommate of the bridegroom, and the Rev. Irvin W. Emmons, pastor of First Presbyterian Church.

—:—

FOR THE WEDDING the church was decorated with a large basket of white mums placed in front of the altar which was banked with green palms and two pairs of candelabra, one in front of the altar and one behind it.

Given in marriage by her father, the bride chose a gown fashioned of pure silk peau de soie and handrun Alencon lace. The Empire line bodice was styled with a batteau neckline and brief sleeves of Alencon lace, encrusted with iridescent pearls and crystal beads. The gracefully flowing skirt was also enhanced with jeweled Alencon lace appliques and extended into a chapel train.

Her fingertip length veil of imported illusion was fastened to a queen's crown of pearls.

She carried a small white Bible adorned with a single white orchid and stephanotis fastened in the white satin ribbons which cascaded from the orchid.

The maid of honor, Miss Thalia Jean Sippel of Columbus wore a waltz length gown of Christmas red velvet styled with an eight-panel skirt, brief sleeves and a V-neck. She carried a large white muff centered with a single red poinsettia.

Best man was Dan H. Andrews of 315 S. High St., brother of the bridegroom.

Ushers were Richard Thomas of Mount Prospect, Ill., Michael Huber of Portsmouth, Charles Pensinger of Marion and Richard Andrews of Ashland, brother of the bridegroom.

Wedding music was provided by Mrs. Harry T. Williams at the organ and David Jenkins, vocalist.

—:—

IMMEDIATELY following the ceremony a reception was held in the church parlor with Mrs. Nussbaum, mother of the bride, receiving the guests in a street-length dress of red pure silk faille with matching hat and accessories. Her corsage was white camellias.

Mrs. Charles Andrews

Mrs. Andrews chose a street-length dress of sapphire blue with a matching hat and wore white camellias.

Hostesses for the reception were Mrs. John Isaly of Marion, Mrs. John Horswell of Highland, Ind., Mrs. Richard Thomas of Mount Prospect, Ill., Mrs. James Maynard of Dayton, Mrs. Edwin Thomson of Coshocton, Mrs. William Jaquith of Berea and Miss Alice Radford of Columbus.

Following the reception, the couple left for a wedding trip to a lodge in the Pocono Mountains of Pennsylvania. Upon their return they will reside at 3063 N. Chesterfield Ct., Columbus.

A graduate of Harding High School with the class of 1949 and Denison University in 1953, Mrs. Andrews is employed as a buyer for the F. & R. Lazarus Co. of Columbus.

Her husband is a graduate of Harding High with the class of 1949 and was graduated from Yale University in 1953 and the law school at the University of Chicago in 1958. He is associated with the law firm of Schwartz, Gurevitz and Schwartz in Columbus.

Ann Landers

ANSWERS YOUR PROBLEMS

Petticoat Shylock

Dear Ann: Am I selfish? My mother-in-law is a widow 70 years old. She lives three blocks from us but she's afraid to stay alone at night.

My husband picks her up after work every day (about 4:15 p.m.) and she has dinner with us and sleeps over. She eats breakfast with us and my husband takes her home on his way to work in the morning.

This is what burns me up. Whenever we go out for the evening she charges us the same rates that we would have to pay a sitter. Our children are 3, 5 and 8.

Her income is small but she's not destitute. She is getting worse about insisting on pay for every single move.

When I go shopping in the afternoon if she's in the house she must be paid for staying with the children or else I have to take them with me. Am I wrong she's taking advantage of us? What do you suggest?—Mrs. C.

Dear Mrs. C.: Wake up and smell the coffee. If your mother-in-law is spending every night in YOUR home because she's afraid to stay alone in hers, then she should pay your children for sitting with HER!

Tell her if she's interested in earning money as a sitter to line up some jobs with other families. And you should find a sitter in your neighborhood who is not a relative. It was a mistake to have become commercially involved with your mother-in-law at the outset. Unwind this peculiar arrangement at once.

Dear Ann Landers: You help so many people, maybe I can help you. I want to provide an answer for that poor lady who is having trouble with her neighbor every wash day. I refer to the woman who comes over the minute the machine goes on and asks if she can "put in a few things."

I had this same problem a few years back and this is how I soived it. Maybe it will work for her, too. After almost six months of washing odds and ends for a pest who lived in the same apartment building, I decided to run one special machine just for her. The only thing of mine that went into that load was my husband's navy blue sock. That did it.—LAST LAUGH.

-:-

Dear L. L.: Many thanks for your letter. I'm printing your suggestion with a footnote to my readers that it is purely informational—I'm not endorsing it. Anyone who wishes to try this, does so at her own risk.—ANN LANDERS.

Commuter's Problem

Dear Ann Landers: I'm almost ashamed to bother you with this problem, it seems so unimportant compared to some you get. However, I hope you will see fit to print it because I have a hunch it is one that faces millions of commuters every day.

I enjoy reading the morning paper on my way to work. Invariably some well-meaning but insensitive clod will sit beside me and start a conversation. I find myself indulging in small talk merely to be polite. Often I don't get to read my morning paper and it annoys me terribly.

Do you know of a tactful way to discourage chatty characters who rob me of one of the pleasures of life?—MR. 8:05.

-:-

Dear Mr. 8:05: Don't let ANYTHING interfere with your newspaper reading. The moment Clattertrap starts to impinge on your freedom to be left alone, politely hand him (or her) a section of the newspaper and say "You will find this very interesting." When you are ready to trade sections say "Oh, you must read this." Simple?

Confidentially

TO TIRED WIFE: You should have signed yourself just "TIRED." You are not much of a wife. Go with your husband to a doctor or a marriage counselor and discuss the problem frankly before you find your husband is talking things over with a lawyer.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Marion Star enclosing a stamped, self-addressed envelope.

Aunt Mary
Los Angeles, California
PERSONAL

Dear Aunt Mary,

Was sure sorry to hear about your recent illness. It was especially bad it had to happen just at the time your cleaning lady decided to quit. Guess that's the way it goes — bad luck comes in bundles.

That reminds me of an idea a friend of ours here told us about. It seems it's getting more difficult all the time to get domestic help. Then, too, counting everything it cost $8 to $10 to have a cleaning lady one day a week, and for the same amount they could enjoy eating out for dinner twice each week. By eliminating that additional work, they just didn't need any addit'onal help. Why don't you tell Uncle John about that idea—sorry there are no nice L-K Restaurants there.

Lovingly Yours,
Your Nephew

Miss Jenner, Mr. Gibson Wed in Ceremony Here

In a candlelight ceremony at 8:30 p.m. Dec. 27, in the home of the bride, Miss JoAnn Jenner, daughter of Mr. and Mrs. Robert Lehner of 215 Bellevue Ave., became Mrs. Earl Harry Gibson. Parents of the bridegroom are Mr. and Mrs. Earl S. Gibson of 491 E. Farming St.

The Rev. M. E. Hollensen of Emanuel Lutheran Church officiated and the bride was given in marriage by her father. Forming an altar was an arrangement of greenery and red poinsettias.

A ballerina-length gown of white satin and Chantilly lace with scalloped neckline was chosen by the bride. The long sleeves extended to points over her hands and her fingertip veil of English illusion was held by a scalloped crown embroidered with pearls. White roses and white carnations carried on a white Bible and decorated with white satin streamers were the bridal flowers.

Mrs. Henrietta Orth served as maid of honor. She wore a poinsettia-red gown with a fitted bodice and full skirt with trapeze back, a poinsettia-red headpiece with short veil embroidered with white pearls and carried a nosegay of red and white variegated carnations and holly leaves.

John R. Gibson, brother of the bridegroom, served as best man. The bride's brothers, Kenneth E. Lehner and Robert M. Lehner were the ushers.

For the ceremony Mrs. Lehner, the bride's mother, chose a knit suit of olive green with which she wore matching accessories. Her corsage was of white carnations.

Mrs. Earl H. Gibson

Mrs. Gibson, mother of the bridegroom, wore a knit suit of beige color with brown accessories and a corsage of pink carnations.

Following the ceremony a reception was held and hostesses were Mrs. Pauline Drake, Miss Beverly Highland, Miss Mary Ann Belcher and Miss Judy Ferriman.

When the couple left by car on a wedding trip to Niagara Falls and Canada the bride wore a blue knit suit with black accessories and the roses from her bridal bouquet.

Both the bride and her husband are graduates of Harding High School. She is employed by the G. C. Murphy Co. and he is serving in the U. S. Army Engineer Corps and is enrolled in school at Fort Leonard Wood in Missouri

Church Activities

Mrs. Ruth Gix entertained the Wesleyan Circle of Prospect Methodist Church Monday night at her home near Prospect. The devotions were given by Mrs. Velma Milligan. Mrs. Lillian Reynolds conducted business. World Day of Prayer was announced for Feb. 13 at the Methodist Church. Mrs. Ruby Remlinger led the program on "The Field Is the World." Charades were played after the meeting. The hostess was assisted by Mrs. Virginia Hold and Mrs. Maxine Emery. Mrs. Raymond St. Clair was a guest.

-:-

The Christian Service Guild of the Greenwood EUB Church took an imaginary pilgrimage to the Far East for the study lesson when the group met at the home of Mrs. Marvin Shumate of 519 Universal Ave. Monday night.

Leading the caravan of 18 members in their tour of seven Far East countries was Mrs. Willard Bowers who presented the lesson.

During the business session conducted by Mrs. Charles McClaskey, president, plans were made for a study class to be held Tuesday, Jan. 27, in the educational unit of the church with Mrs. M. R. Anthony presenting the lesson.

It was announced that the Guild will help with the youth fellowship banquet to be held at the church in the near future.

Officers will be elected when the February meeting is held.

-:-

Mrs. Ross Shoup was hostess for the first 1959 meeting of the Evening Circle, United Lutheran Church Women, of St. Paul's Evangelical Lutheran Church, held Tuesday night at her home on Windsor St.

Fifteen members responded to roll call with New Year's resolutions.

Plans were made for a ULCW sponsored Lenten tea to be held at the church Feb. 15.

Mrs. Charles Postle was named invitation chairman and Mrs. Ralph Hedges, social chairman.

The lesson presented by Mrs. Harold Smith was entitled, "Mary, the Mother of Jesus." The hostess served refreshments at the close of the meeting.

-:-

Plans were made to serve luncheon on Feb. 16 and March 12 when the Dora Jones Bible Cass of the First United Church of Christ met Wednesday night at the church.

The class also discussed having a rummage sale in April. The meeting, which included committee reports and the reading of a thank you note for a Christmas basket, opened with the class song.

Mrs. Ellen Smith was in charge of devotions. Prizes in the contests conducted by Mrs. Harold Jones went to Mrs. Royal Andrews and Harold Neidhart.

The meeting closed with the class motto.

Ike Reported Ready To Use Veto Power To Protect Budget

President Is Insistent on Holding Line

Controls on Federal Outlay, Plugging Tax Loopholes Key Goals

WASHINGTON (AP)—President Eisenhower today was reported ready to make forceful use of his veto power if necessary to maintain the scant surplus in the 77-billion-dollar budget he will send to Congress Monday.

The message for fiscal 1960, which starts July 1, is expected to urge bipartisan support for an anti-inflationary squeeze on federal spending and closing of tax loopholes.

Eisenhower's target, administration sources have hinted, is to cut outlays to a level slightly above 77 billion dollars. It is hoped that revenues will exceed that amount, although the margin may be only 100 million dollars or less.

Contains Bad News Also

There will also be some bad fiscal news in the message, officials conceded—a slightly higher deficit than was anticipated for the current budget year.

Spending this year is expected to mount fairly close to 81 billion dollars, instead of the $79,200,000,000 estimated officially in September. Much of the increase is attributed to the proposed $1,400,000,000 increase in this country's subscription to the International Monetary Fund, which Eisenhower recommended last week.

Revenues will have risen to more than 68 billion dollars instead of the 67 billion officially predicted. But when the government year ends next June 30 the deficit reportedly will exceed by several hundred million dollars the earlier estimate of $12,200,000,000.

Basis of Policy

Officials said mounting concern over the depreciation of the dollar, coupled with concern lest this country eventually price itself out of world markets, has reinforced the administration's decision to make a strong stand against deficit financing.

Administration aides suggested Eisenhower will use the carrot-and-club technique to win cooperation from the Democratic Congress.

He dangled the carrot in his State of the Union message — the hope that some tax relief may be possible in fiscal 1961 if the budget line is held in 1960.

The White House was represented as believing it will have support in the economy campaign from the leadership of both parties in Congress. The two Texas Democrats, Senate Majority Leader Lyndon Johnson and House Speaker Sam Rayburn frequently have taken a conservative line on fiscal issues when some of their fellow party members have been urging new spending programs.

Call Grand Jury in Cleveland

Justice Dept., IRS Join To Set Up Ohio Probe

CLEVELAND (AP) — A team from the Department of Justice and the Internal Revenue Service in Washington today is making preparations for a Federal Grand Jury investigation here.

More than a score of Cleveland labor leaders have been subpoenaed as witnesses before the grand jury investigation that opens Monday.

Arriving Thursday to take charge of the investigation was Max H. Goldschein, a top lawyer in the Criminal Division of the Department of Justice. Tamor Golding, another criminal division lawyer, and Harold R. Wallace, from the Intelligence Division of the Internal Revenue Service were with Goldschein.

Wallace's presence strengthened speculation that income tax matters will be involved in the investigation.

Goltschein said he was prevented by federal statutes from disclosing information concerning the grand jury sessions. Nor would he identify any of those subpoenaed.

Teamsters Union leaders reportedly were among those subpoenaed as witnesses. Three officers of the Cleveland AFL - CIO also were served with subpoenas.

EUB Churches To Hold Group Rally at Oakland on Sunday

Sunday night in Marion a group rally of Marion area Evangelical United Brethren Churches will be held at the Oakland Church in southwest Marion with the Rev. Harold H. Hazenfield, denominational editor of Sunday School publications, as guest speaker.

The first hour will feature separate meetings at 7 for men, women, youth and children.

At the men's meeting, which will be in the church basement, there will be election of officers and a brief message by the guest minister. The women's meeting in the church sanctuary will be under the direction of Mrs. Maurice Anthony of Salem Church, Women's Society group leader.

The young people will meet at the Parish House under the guidance of the Rev. Robert Williman of Greenwood Church, Youth Fellowship counsellor, and Frederick Hardesty of Oakland Church, the YF president. Mrs. Loren Hord will be in charge of the children's meeting which will meet in the Junior room.

At 8 there will be a mass meeting in the sanctuary. Instrumental music will be provided by Calvary Church and a mixed quartet number will be sung by the First Church pastor, the Rev. John C. Searle Jr. and Mrs. Searle and Mr. and Mrs. Richard Grimm.

The theme at the mass service will be, "Possessors of Power."

A native of Illinois, the speaker was graduated from North Central College and Evangelical Theological Seminary, schools of the denomination at Naperville, Ill. He has had 11 years of pastoral experience and has served as a conference superintendent. At the 1959 general conference he was elected

associate editor of Sunday School publications and at the Harrisburg general conference last October was made editor of these publications.

Active in the Church Federation of Indianapolis, Ind., the Indiana State Council of Churches and the Division of Christian Education of the National Council of Churches, he is now a member of the committee on adult work, committee on administration and leadership, Editors' Associated Section, Leadership Education Associated Section, and is chairman of the committee on graded curriculum of the division of Christian education of the National Council of Churches. He is also a member of the Cooperative Publication Association and of the general board of Christian education since 1941. At present he is chairman of the committee on adult work.

Conflicts Between Children, Parents Discussed at YMCA

Covering some of the causes of teen-age-parental conflict, Dr. Richard Gay Thursday night opened the six-week Family Life program being offered by the Marion YMCA.

Launching the series, which is the first of its kind to be sponsored by any YMCA in the country, the director of religious activities at Ohio Wesleyan University spoke before a group of interested parents in the Youth Center of the YMCA last night.

The speaker outlined the basic sociological changes which have occurred in the United States during the last three generations and pointed out the results of these changes upon the individual and upon the family group.

Dr. Gay then traced the changes within the family group from the wedding day until the children become teenagers, revealing some of the causes of the parent-child conflict.

This problem of child-parental conflict will be dealt with more thoroughly in the second session of the series next Thursday at the Youth Center at 7:30 p.m.

The guest speaker that evening will be Alan Griffin, professor of education at Ohio State University.

Dean Ludwig, adult program director, announced that the course is still open to anyone who missed the first meeting.

He added that there will be a slight reduction of the $3 per person, $5 per couple charge for those who were unable to attend last night's talk.

The Family Life program is being conducted by the Adult Program committee of the local YMCA.

Mafia Is Prime Target in U.S. War on Crime

NEW YORK (AP)—The federal government is making the Mafia and its traffic in narcotics a primary target in a nationwide war on organized crime.

Income tax violations, gambling and vice also, are among spheres of Mafia activity to be dealt with.

Atty. Gen. William P. Rogers' special task force fighting crime is working out of offices in Washington, New York City, Chicago, Los Angeles and Miami.

A nine-month veil of secrecy over the work of the anticrime task force was lifted a little Thursday when contempt proceedings were started against an alleged leader of the Mafia.

The government complained that he refused to answer questions about the Mafia, the worldwide band of criminals and terrorists which had its roots in Sicily many years ago.

The questions, asked before a special U.S. grand jury, were about the secret underworld's links with the narcotics traffic.

The balky witness is Giacomo Reina, now serving a five-year term for conspiracy and possession of narcotics.

Marion Man Receives Reformatory Sentence

Kenneth E. Benson, 18, of 129 Fairview St. was sentenced in Common Pleas Court this morning to 1 to 15 years in the Mansfield Reformatory on a breaking and entering charge.

Indicted by the grand jury, Benson was charged by sheriff's deputies with burglaries last summer at McCumber's Grocery in Morral. Represented by Eugene A. Yazel, he changed his earlier plea of not guilty to guilty.

Two other defendants indicted by the grand jury also changed their pleas to guilty. Glendon W. Kight, 24, of 256½ W. Columbia St. pleaded guilty to auto theft and Harry L. Armstrong Jr., 19, of 478 W. Columbia St. pleaded guilty to breaking and entering. Judge Paul D. Smith took both cases under advisement.

Winter, Spring Projects Slated By 20-30 Club

A schedule of winter and spring projects was announced Thursday night at a meeting of the 20-30 Club at the YMCA.

Twenty-seven members and a guest, Walter Edwards of Marion, attended the meeting, which was presided over by Max Haines, president.

Richard Freese, project chairman, listed the club's projects. Members of the group will take part in a "Peanuts for Polio" sale Friday night and all day Saturday, Jan. 23 and 24. Assignments for manning the booths were made.

On Feb. 1, the club will collect literature and prepare solicitors' kits for the Marion County Heart Association.

The annual Easter egg hunt conducted by the club will highlight its spring activities. Leroy Yeoman and Ronald Steward were named co-chairmen.

The Marion club will be host for the state 20-30 convent on April 18. Afternoon and night sessions will be held and from 100 to 125 couples are expected.

Dr. Harry Mauk reported on the standings of the teams competing in the current membership drive and also reported on the inspection tour of the recreation room at the Marion County Children's Home for which the club has assumed responsibility.

President Haines reported on the Council of Presidents meeting held last Sunday at Ashland and Richard Duff, club treasurer, reported on the New Year's Eve party. The event was attended by 73 couples.

The club will hear a discussion of the work of the Underwriters Laboratory at its meeting next Thursday.

Mayor Seeks Plastering for Hospital Here

An attempt to arrange a meeting of the architect and building contractor of Marion General Hospital with city officials to discuss replastering a number of rooms, corridors and stairwells was reported today by Mayor Wendell L. Strong.

He said he has been corresponding with the C. E. Knowlton Construction Co. of Bellefontaine about the problem and that Mr. Knowlton has offered to replaster the stairwells at no cost to the city.

The mayor said that he has complained to Mr. Knowlton about the workmanship on the hospital building and asked that he or his representatives come to Marion to meet with Daniel Carmichael of Columbus, the hospital architect, and city officials.

In the letter received today, Mr. Knowlton said that Mr. Carmichael "told us that it (the meeting) is unnecessary in as much as he (Mr. Carmichael) understands the situation."

Mr. Knowlton also said in the letter today that his firm "would be happy" to replaster the stairwells providing this offer is accepted at once. Otherwise, he said, his workmen will be too busy later in the season to do the work.

The mayor said that replastering only the stairwells is not satisfactory and that he intends to continue with efforts to arrange the meeting here to discuss the problem with both the architect and builder to determine the best solution of the problem.

Traffic Cases

One traffic case was disposed of in Marion Municipal Court Thursday. It was: Virgil B. Hite, 29, of near Marion, $15 and costs, speeding.

Held at Upper

UPPER SANDUSKY—Henry C. Pergram of Findlay, was charged with non-support by his former wife Ethel B. Pergram of Carey, at a Thursday hearing in Municipal Court here. Unable to provide bond of $500 when bound to the county grand jury, he was committed to the county jail. Arrest was by the sheriff's department.

At the time of her death Mrs. Hall was employed as a waitress. She formerly operated a restaurant in Upper Sandusky.

She was a member of the Marseilles Methodist Church.

Mercury Drops to 3

The sudden return of winter, which contributed to the rash of auto accidents across the county and state, sent the mercury plunging to 3 above zero during the night.

It followed a high of 48 Thursday, during which .12 of an inch of rain fell before the plummeting temperature brought on the snow. By 7:30 this morning, 1½ inches of snow was measured officially.

The temperature still stood at 3 above at 7:30, but an hour later it hit the zero mark. It was back to 3 above at noon, with a day's high of 16 anticipated.

The weatherman predicted "very cold" weather for tonight, with a low of 2 above, followed by a high of 16 Saturday.

Rain, turning to snow caused slick conditions on both city streets and county and state roads, and maintenance crews were out during the night salting and cindering intersections. Because of bad driving conditions, Mount Gilead schools were closed today.

Thursday's snow was heaviest in the northeast with 10 inches on the ground at Ashtabula, 3 to 8 in the greater Cleveland area, 4½ to 6 at East Liverpool, 4 at Akron and Youngstown, 3 at Zanesville, 2 at Columbus and only 1 at Cincinnati.

The Ohio Department of Highways reported both main and secondary roads are snow-covered and slippery with some drifting, except west of a line marked by Batavia, Wilmington, Urbana, Van Wert, Defiance, Tiffin and Port Clinton.

Ohio Turnpike drivers were advised to use reasonable care.

Highways Closed

The department reported three highways closed by high water: Ohio 146 at Pleasant City in Guernsey County; Ohio 285 between U. S. 40 and U.S. 22 in Guernsey County; Ohio 247 between Ohio 125 and 137 in Adams County.

Temperatures of 15 degrees below zero and lower were reported in northern Minnesota and eastern North Dakota, with similar marks indicated in parts of South Dakota and Wisconsin.

Temperatures dropped as much as 30 degrees in most of the area from the Ohio Valley southwestward into the southern plains. It was freezing in Arkansas and western Tennessee and near the 32 mark in parts of Mississippi.

Heavy snow accompanied the cold in parts of the upper Ohio Valley, western New York and northern New England, with three inches in several sections. Snow flurries fell throughout the Great Lakes region.

A mixture of snow and rain and some freezing rain slicked highways and streets in southern New York state and southward across western Pennsylvania into West Virginia. Similar conditions were reported in new England and hazardous driving warnings were issued.

The mixture of snow or rain was expected to continue into the Middle Atlantic states, but changing to snow in most sections as colder air moves into the region.

Fairly mild weather prevailed in some areas east of the Appalachians, with temperatures in the upper 50s as far north as Washington.

Car Skids Into Ditch

A mishap occurred at 4:55 p.m. on U.S. Rt. 23 about two miles north of Marion when a car driven by Syreva M. Stief, 57, of near Marion went out of control and skidded into the ditch on the right side of the highway. Moderate damage was done to the car, patrolmen reported.

At 5:05 p.m. about three miles north of Marion, also on Rt. 23, minor damage was done to cars driven by Roy B. Farringer, 56, of 236 N. Grand Ave. and Phyllis A. Craycraft, 25, of near Marion.

Farringer, according to the report, was southbound. The Craycraft car, having just come onto the highway, skidded into the Farringer auto, patrolmen said.

At 5:15 p.m., four miles north of Marion on Rt. 23, a car operated by Alberta L. Crow, 30, of Upper Sandusky, northbound, skidded on slick pavement and went off the left side of the roadway into the ditch. Patrolmen reported considerable damage to the Crow car.

An accident at 4:45 p.m. on State Rt. 529 about four miles southeast of Marion involved a car driven by Dorothy M. Wilson, 26, of Cardington. Her car, headed west, skidded off the road into a ditch.

She suffered a bump on the head and a bruised left hip, according to the report. Patrolmen charged her with driving left of center.

Auto Skids on Rt. 23

Moderate damage was done to a car owned by James F. Driscoll, 32, of Highland Park, Mich., when it skidded off U.S. Rt. 23 about four miles south of Marion at 5:20 p.m. Patrolmen reported moderate damage to Driscoll's vehicle.

At the same time, two other drivers, slowing down because of the Driscoll mishap, became involved.

Patrolmen said Robert O. Messenger, 31, of 191 Plymouth St., headed north, and a car driven by Royce H. Cross, 47, of Delaware sideswiped. Cross attempted to slow down at the point where Driscoll had gone off the road and his car went into a skid, striking the side of the Messenger car, patrolmen said.

Minor damage was done to the Messenger auto, while extensive damage resulted to the Cross vehicle, according to the report.

One driver was charged with failure to yield the right of way as the result of an accident on State Rt. 95 just east of Marion at 7 p.m.

Patrolmen said Ethel E. DeVore, 24, of 550 Toledo Ave. was turning onto Rt. 95 when her car went into a skid and slid into the side of a westbound car operated by Elmer N. Stauffer, 32, of Mount Gilead. She was charged with failure to yield the right of way.

Moderate damage was done to the DeVore car and minor damage resulted to Stauffer's vehicle.

Vehicle Goes Into Ditch

At 7:20 p.m., on State Rt. 4, three miles south of Marion, Mary M. McCaulley, 32, of 490 Smith St. lost control of her car and the vehicle skidded into a ditch. Damage to the car was minor, according to the report.

An accident at 6:50 p.m. on U.S. Rt. 23 a mile south of Marion resulted when Lloyd A. Benson, 22, of near Marion lost control of his car while turning south on the U.S. route and went off the left side of the road.

Moderate damage resulted to his car. He was cited with driving left of center.

At 5:30 p.m. on State Rt. 95 just east of Marion, a car driven by Clifford D. Franklin, 23, of 751 Wood St., eastbound on the state route, was following another auto operated by Harold A. Linscott, 44, of Edison.

Patrolmen said Linscott came up behind a car he was unable to stop for and veered off the road into the right ditch. Franklin followed suit and his auto struck the one driven by Linscott. Moderate and extensive damages resulted to the Linscott and Franklin cars, respectively, and patrolmen charged Franklin with failure to stop within the assured clear distance.

At 10:50 a.m. on U.S. Rt. 23, just north of the city, Paul Fyffe, 45, of Caledonia, southbound, stopped for a tractor-trailer truck driven by William C. Ceislak, 54, of Cleveland, to make a turn. In the process of turning, the truck trailer clipped the left front fender of Fyffe's car, doing minor damage.

2 Mishaps in Morrow

A Marion man was injured in one of two accidents investigated late Thursday in Morrow County by local post patrolmen.

Francis J. Hurst, 60, of 329 Franklin St. sustained bruises of the left leg, but was not treated when his auto overturned along Rt. 30-S two miles east of Caledonia at 6:20 p.m.

Patrolmen said the westbound car skidded into a ditch along the south side of the highway and struck a fence owned by Wayne Weir of Caledonia. It was badly damaged.

A two-car collision occurred on Rt. 30-S two and one-half miles east of Caledonia at 7:30 p.m.

Officers said it involved autos driven by Larry A. Harper, 22, of 584 Sugar St. and Daniel V. Mishler, 67, of Smithville.

According to the report, the westbound Harper vehicle slid into the Mishler auto. The impact sent Harper's car off the highway into a field.

Considerable damage was done to the Harper car and the Mishler vehicle was badly damaged, patrolmen noted.

10 Mishaps in City

Ten minor traffic accidents were investigated Thursday by Marion police. A three-car accident in the 400 block of Bellefontaine Ave. at 5:19 p.m. involved cars driven by Virginia L. Glenn, 25, of 625 Fair Park Ave., Donald R. Adkinson, 27, of 252 N. Seffner Ave., and Steven H. Hamblin, 18, of Green Camp. The car driven by Adkinson, struck the rear of Virginia Glenn's car after she had stopped to avoid colliding with a right turning car in front of her, police said. His car was then struck from the rear by the car driven by Hamblin.

A car driven by David E. Walter, 20, of near Martel skidded out of control in the 600 block of E. Center St. and struck a parked car at 3:04 p.m. The parked car was owned by Paul W. Ferguson, 25, of 248 Franconia Ave.

Each of the other eight accidents caused less than $100 total damage, Marion police estimated.

Truck Leaves Road

Sheriff's deputies today are seeking the identity of the driver of a pickup truck found at about 11:30 p.m. Thursday in a ditch along State Rt. 4 about two miles northwest of Prospect.

A deputy said the truck apparently plunged into the ditch after striking the side of a small bridge, damaging the right front fender and running board. The truck, owned by Keller Martin of Owensville, Ky., was towed in by a Road Service Garage wrecker, deputies said.

Marion Man in Accident; Dad Comes to Aid but Also Crashes

BUCYRUS — Hazardous driving conditions figured in the five non-injury accidents reported today by patrolmen of the Bucyrus post.

A Marion man and his son were involved in two mishaps which occurred on Rt. 4 late Thursday.

Edward W. Matthews, 25, of 300 Uhler Ave. was involved in an accident at 5:10 p.m., two miles south of Bucyrus. His father, John W. Matthews, 53, of 300 Uhler Ave. was driving to the scene to assist his son when the elder Mr. Matthews was involved in an accident at 6:10 p.m. four miles south of Bucyrus.

Three Vehicles Involved

Three vehicles figured in the first Rt. 4 mishap. Officers said the southbound Matthews auto struck a northbound car driven by Erma D. Lohr, 46, of near Bucyrus, which had skidded out of control.

The impact sent the Matthews car into the ditch. The third auto, driven by John H. Grove, 63, of near Shelby, slid into the ditch as Grove applied his brakes to avoid entanglement in the accident. Considerable damage was done to the Lohr and Matthews cars, while the Grove auto was not damaged, patrolmen said.

The accident involving the elder Mr. Matthews was a sideswipe mishap. A southbound car driven by Joel M. Gaylord, 26, of 506 Roberts Ave., Marion, sideswiped the Matthews vehicle, sending both cars into the ditch. They were considerably damaged.

A southbound trailer - tractor combination driven by Belzia Craft, 38, of Cleveland jackknifed across Rt. 4 two and one-half miles north of Bucyrus at 5:20 a.m. today, blocking traffic in both lanes for an hour, officers said.

According to the report, the truck was only slightly damaged.

Two hogs being transported in a trailer-tractor combination loaded with nearly 300 of the animals were killed in an accident on Rt. 4 just north of Bucyrus at 4:30 p.m.

Patrolmen said the northbound combination driven by Paul E. Davis, 34, of near Cambridge City, Ind., careened into a ditch, coming to rest against a power pole. It was slightly damaged.

Swerves Into Ditch

The mishap occurred when a northbound car driven by Darrell W. Cole, 20, of near Marion, started a left turn as the combination attempted to pass it.

Patrolmen said Davis swerved his truck to the left to avoid impact when it went into the ditch. Cole was charged with making an improper turn and was cited to appear in Bucyrus Mayor's Court.

Rt. 19, two miles northwest of Bucyrus, was the scene of a one-car accident at 4:20 p.m.

Officers said a car driven by Joan M. Dunn, 23, of near Bucyrus skidded off the right side of the road into a ditch. She was charged with unsafe operation and cited to appear in Bucyrus Mayor's Court. Her auto was only slightly damaged, according to the report.

Bureaucracy In Navy Hit by Woman Clerk

NEW YORK (AP) — A woman clerk at a service hospital has rubbed a little lustre off some high Navy brass.

Miss Anna Wasylkow, 39, is a civilian clerk-stenographer at the St. Albans Naval Hospital in Queens. Last July 31 around 4:30 p.m. — official closing time — the telephone rang. She answered it. It was a requisition request, and she left a memo for the proper authority.

A few days later a superior demanded to know why she answered the telephone while "off duty." Miss Wasylkow said she didn't remember whether it was a minute before 4:30 or a minute or two after. But since she was there, she said, she considered it proper to answer the phone.

Came the official reprimand: "You are hereby officially warned for failure to carry out instructions on July 31, 1958. A repetition of this offense within one year may result in applications of higher penalties."

Miss Wasylkow was burned up. She filed an appeal. It was denied. She was told she was "guilty of insubordination." She got a lawyer, Samuel Resnicoff.

Resnicoff filed a brief with Secretary of the Navy Gates. In part, it said "answering the telephone is an automatic reflex" and that the punishment "borders on sheer folderol."

Motorist Arrested

William C. Smith, 30, of Richwood was arrested on Rt. 4 near Marion Thursday by state patrolmen from the Marion post. He was charged with driving while intoxicated. He was to appear in Municipal Court later.

H. Ray Wagner, county grade school supervisor, was present to discuss the science fair.

Robert Hickson is the retiring president of the chamber.

Mt. Gilead Slates Career Conference

MOUNT GILEAD — The second countywide Career Conference will be held Jan. 19, in the Mount Gilead High School beginning at 7:30 p m. and continuing until 10 p.m.

The conference will follow the same pattern used last year. There will be an opening general assembly in which Mrs. Mary K. Mills, manager of the Marion Division of the Ohio State Employment Service, will emphasize career trends and opportunities. This will be followed by three dicussion sessions in which students and their parents will have a chance to hear various careers discussed and explained by people with service in the particular occupation. For the most part, local people will be used as guest speakers.

The conference will be for all 11th and 12th grade students and their parents.

The planning committee has accumulated a variety of career information, booklets, and brochures which will be available to students and parents free of charge at the conference.

Falls to 1.6 Per Cent

Drop in Rate of Juvenile Delinquency Noted Here

Marion County's juvenile delinquency rate, measured by comparing the number of known offenders to the school population, dropped off to 1.6 per cent during 1958, the lowest since 1951.

This heartening statistic, one of many pointing to a decrease in juvenile crime, is contained in the annual year-end report of Juvenile and Probate Court operations prepared by Judge Edward J. Ruzzo.

—:—

RELEASED in conjunction with the annual report was a statistical breakdown of juvenile offenses compiled during the last 10 years by Eugene White and Mrs. Max Sechrist, court probation counselors.

The 1.6 per cent delinquency rate represents 206 offenders. In 1951, only other year it dipped that low, 144 offenders were brought to court.

Court officials point out, however, that school population soared from 9,014 in 1951 to 12,994 in 1958, while the number of offenders increased by only 62. In 1957, the court cited 219 juveniles and the school population stood at 12,427.

Judge Ruzzo said he feels the low delinquency rate for 1958 "is a fine tribute to our young people."

In 1958, offenses in 6 of the 11 categories contained in the 10-year report ran higher than the average. Increases are noted in auto theft, burglary, school truancy, injuries inflicted to others, property damage and traffic violations.

Decreases are listed for robbery (none since 1953), other thefts, running away from home, ungovernable children and sex offenses.

Although offices in the 6 categories were higher than the 10-year average, only 4 increased over 1957. Those were burglary (27 against 14 in 1957), truancy (32 against 17), injuries inflicted to others (6 against 1) and damage to property (14 against 3).

The 10-year report shows that delinquency hit its peak in this county in 1954. That year 318 youths, or 3.1 per cent of the school population, were cited into court.

Boys still are far ahead of girls in juvenile offenses. The yearly average during the last decade was 194.9 per cent boys and 38.7 per cent girls. In 1958, 45 girls and 161 boys were cited.

A picture of officers of the Ohio Traffic violations recorded in 1958 totaled 113 compared to 142 in 1957.

In 1958, a total of 885 days detention was recorded for 81 juveniles. In 1957, 72 juveniles served a total of 738 days in detention.

—:—

OTHER ITEMS contained in the annual report:

March was the busiest month with 31 offenders, December the lightest with 6; Boys Industrial School sentences were imposed in 11 cases but no girls were sentenced to G Ilridsrnla iolouh es;S tenced to Girls Industrial School; a total of $1,380 was collected in fines against $1,276 in 1957.

The judge noted these other facts in the Probate Court report:

Marriage licenses issued increased from 424 in 1957 to 431 last year; 7 persons changed their names compared to 3 in 1957; the court administered 283 estates against 303 in 1957; 158 wills were admitted to probate, the same as

Two Contracts Let on Sewers

Marion, Tiffin Forms Win Silver St. Work

Contracts for the second and third sections of the Silver St. sanitary trunk sewer project now have been awarded, Safety-Service Director Howard W. Travis said today.

The contract for the second section from Leader St. east to Oak St. went to Paul Weott of Tiffin on his low bid of $36,149. Plumley Contractors of 840 Cheney Ave. received the contract for the third section on their low bid of $45,501. The third section runs east from Oak to N. Prospect, south to W. George St. and east to N. State St.

Plumley also submitted the low bid for the first section of the sewer from Niles St. east to Leader St. He previously was awarded the contract for this section by the city board of control composed of the mayor and safety-service director. His low bid was $215,891.

With the two new contracts, total construction cost of the project will be $297,541. The bids were received Jan. 5.

Plumley is expected to start construction work on the first section shortly after the first of February. The first section all will be constructed by tunneling through rock at a depth of about 18 feet.

Sales Tax Examiners Will Aid Local Vendors

Field examiners for the Ohio Department of Taxation will be in the Courthouse Jan. 29 and 30 to assist local vendors in filing their sales tax reports for the last six months of 1958.

Reports must be filed with the state treasurer by Jan. 31 even if no sales were made from July 1 to Dec. 31, the department said.

In filing returns, vendors are asked to bring a copy of their last or previous semi-annual report and a record of their stamp purchases for the last half of 1958. Vendors should be prepared to give information on all questions appearing on the return mailed to them by the taxation department.

Damages Sought In Truck Accident

A three-way truck crash in Marion County Feb. 11, 1957, has given rise to a $10,000 damage suit filed here by Kenneth C. Foster of Coshocton against Dues, Inc., of Dayton.

The plaintiff alleges he was driving a tractor-trailer combination east on State Rt. 95 about 8½ miles east of Marion when a westbound rig, owned by the defendant, collided with a second eastbound tractor-trailer and then struck the one driven by the plaintiff.

Mr. Foster named Mike Salopek as driver of the defendant's vehicle. He charges the defendant with negligence for allegedly driving left of the center line and failing to maintain control of the vehicle.

The plaintiff alleges he suffered neck, back and leg injuries, was unable to work for one week after the accident and that he will require further medical care for pain he still suffers on his neck and back.

The local law firm of Wiedemann and Wiedemann represents the plaintiff.

CONFESSION? — Ask The Man Who Goes There!

Catholics go to Confession to a priest for one reason only: to obtain divine forgiveness for their sin.

But why, you ask, go to a priest? Why not confess our sins directly to God?

Ask the man who goes to Confession and here's what he will tell you: Sin is an offense against God; it must be forgiven by God. It is God, not man, who determines how forgiveness must be obtained. Christ plainly pointed this out when He empowered His Apostles and their successors to forgive sins or to refuse forgiveness.

"Whose sins you shall forgive," Christ said, "they are forgiven them; whose sin syou shall retain, they are retained." (John 20;21-23). Thus Christ authorized the Apostles, and their successors, to pardon or to deny pardon as they judge the sinner worthy or unworthy. To do this they had to know what they were forgiving . . . the secret dispositions of the sinner . . . his sorrow and willingness to repair the wrong done to his neighbor by his sins. Who could make this known but the sinner himself—and what is this but Confession?

But Confession — the Sacrament of Penance—is only one of the seven Sacraments Christ left in His Church. Yes, seven—no more and no less! Christ's religion is not merely a message to be accepted, but a life to be lived—from the cradle to the grave. Christ's seven Sacraments are the answer to man's seven basic needs.

Man is born, but he needs to be reborn a Christian in the Sacrament of Baptism. He is nourished, but he needs Christian nourishment in Holy Communion, the Sacrament of the Eucharist. He grows, but he needs to grow and be strengthened in Christian life by the Sacrament of Confirmation. He is cured of disease, but he needs a remedy for sin, so destructive of Christian life, and this he finds in the Sacrament of Penance.

Man lives in society which needs officials to promote the common good — and for his life in the Church, he finds officials provided by the Sacrament of Orders. He perpetuates the human race in marriage, which Christ made the Sacrament of Matrimony. And at death, he needs consolation and strength for the last dread hour which he finds in the Last Anointing — the Sacrament of Extreme Unction.

Would you like to know more about each of the seven Sacraments? How they can help you to meet the seven basic needs of your life? Then write today for a free pamphlet which gives important information concerning them. Ask for Pamphlet No. KC-5.

Kennel Club Plans Obedience Course

Plans were made for sponsoring an obedience training course in mid-February, at the Thursday night meeting of the Marion Kennel Club.

The group also made arrangements to take four dogs to Columbus Jan. 22 to appear on Don Mack's "Outdoor" show on WBNS-TV.

Reed Ours, publicity chairman for the forthcoming 10th all-breed dog show, announced that entries for the event total 571, and urged that club members who can help during the show contact Larry Rainier or Dr. Merritt K. Marshall.

On January 19, 1959, all freight previously handled by our Marion, Ohio terminal will be processed by our modern terminal located at

550 Park Avenue, E.
Mansfield, Ohio

The primary purpose for this change in our operational pattern is

IMPROVEMENT OF SERVICE

By the very fact that we are combining our Marion terminal with our new and modern Mansfield, Ohio terminal, the tonnage resulting will allow us the opportunity of dispatching and receiving direct trailers from all but a few terminals in our system. This will mean the elimination of one day transit time and one extra handling.

We sincerely believe this action will afford our MARION, OHIO area customers improved service on both their inbound and outbound traffic.

In order to avail yourself of this service, route your inbound freight VIA "CCC HIGHWAY" and on your outbound shipments call —

PHONE Marion 3-2095

We will maintain spare or additional equipment in the Marion territory in order to meet your emergency requests.

Bible Words for Today

ROMANS 12:6—"Having gifts that differ according to the grace given to us, let us use them," (RSV)

* * *

In an age so marked by conformity, it is good to remember that God prefers variety. Indeed, He has ordained it to be so! No two flowers are the same, no two sunsets are identical, no two snowflakes are of similar design.

In like manner His human creations abound in dissimilarities. No two of us are exactly alike. God makes no "carbon copies" in His intricate work of creation.

Yet, in the amazing economy of God, nothing is wasted. The gifts of each one are essential to His kingdom and glory. To you only have been given the talents to produce that which God wishes from you. If you fail to use these gifts of skill and personality that are uniquely yours, the world will be poorer, for no one else can contribute your share exactly as God intends. Let us consider well, then, the stewardship of the talents He has given to each one. Release fully into the stream of life the measure of the gifts God, through His grace, has accorded you.

Tractor Maintenance Clubs Slated in Hardin

KENTON—An all-county "kick-off" meeting of Hardin 4-H Tractor Maintenance Clubs is slated for Wednesday, Feb. 4, at 7:30 p.m. at the Ault Implement Co.

Purpose of the meeting is to develop interest in the 1959 4-H tractor program. H. Richard Kile, 4-H agent of Hardin County, said boys need not be members of 4-H clubs to participate. Last year there were three tractor clubs.

Implement dealers are helping to sponsor the program. Last year there were clubs for the Kenton, Ada-Dola and Mount Victory-Ridgeway areas. Plans are being laid for an all-county banquet next spring to climax the activity.

New Highway Chief Confers In Washington

COLUMBUS, Ohio (AP) — New Highway Director Everett S. Preston says he was pleased with the reception given him at the U.S. Bureau of Public Roads.

Preston, who returned from Washington Thursday, discussed several departmental changes with the federal group. One, the abolishment of a task force set up under the administration of former Gov. C. William O'Neill, was made because the director felt it was a duplication of effort.

Also discussed was a new procedure for acquiring highway right-of-way and setting up a group to bring urban and rural projects into balance.

"About 50 per cent of the expense, but not 50 per cent of the miles of the interstate system, is in the urban area projects," said Preston.

He also hopes the Legislature will permit the use of a rotary fund from which money can be made available to get projects started, to be repaid from the regular allocation.

Voting Being Held By Galion C. of C.

GALION—Election of directors of the Galion Chamber of Commerce is in progress now and is expected to be completed by the end of the week. Amendments to the by-laws were approved by the membership earlier this week it was announced by Gene L. Keener, executive director.

Following the selection of directors, an organization meeting will be called to elect officers. Currently serving as president is Tom McNew Sr. The vice president is Paul Nollen.

One change noted in the passage of the new amendments is that the board of directors will be reduced from 27 members to 12 by 1962. Heretofore there have been nine directors for each of the three divisions of the Chamber of Commerce.

The new by-laws also change the fiscal year to a calendar year. The fiscal year has been from April 1 to Mar. 31. Directors will meet every 30 days instead of every three months.

Day To Remember

SAN ANTONIO, Tex. (AP) — Mrs. Adolph Stroter, 22, says she will not soon forget Jan. 15.

Her husband, 33, was placed in County Jail that day for violating parole from State Prison. Less than 3 hours later, her two-year-old son, Kurt, fell from the family car and was critically injured.

The ambulance rushing the critically injured child to a hospital was involved in a traffic crash. Mrs. Stroter and a friend, Mrs. Judith Ann Haymaker, 17, were injured. So were the ambulance driver and his attendant.

Harding, Catholic Face Loop Foes in Home Tests

Chamberlain Hurt In Prexy Practice

Both Harding and Marion Catholic will be at home to visiting cage crews tonight, with the Prexies of Coach Don Knodel taking on Sandusky in a Buckeye Conference action, and the Irish of Ray Robbins entertaining Mid Ohio Conference foe Big Walnut.

Harding will lay a 5-4 over-all record on the line and a 2-3 mark in conference play against the Blue Streaks of Coach Harold Andreas. Both quintets are deadlocked in fourth place in loop standings and are, as far as Knodel is concerned, "out of title contention."

—:—

THE PREXIES will be starting without star forward Mike Chamberlain. The 6-2 senior is nursing an injury to his right knee and was ordered by the team physician not to try and play full time.

In addition, Jim Maginn, who suffered a broken nose in a midweek practice session, will start at center and will be wearing a special face mask.

The Robbinsmen and the cagers of Coach Myron Burt have identical 1-8 records. The Irish are 0-3 in the Mid Ohio, with Big Walnut 0-2. Elm Valley, Scioto Valley and Cardington have prevailed over the Marion five, while Mount Gilead and Olentangy trounced the Eagles.

Knodel, whose outfit goes against "a good defensive team" tonight, observed that "we need a win to get our spirits back in circulation." The Prexies have lost their last four games, to Lorain, Ashland, Worthington and Elyria, and the Prexy pilot says his boys are "down" as a result.

—:—

KNODEL WILL start against the Streaks with Maginn at center, Paul Cressor and Bob Middleton at the forwards, and George Kirk and Stan Larkin at the guards.

"We had two of our best practices this week," Knodel said. "If we can put some of what we showed in drills to work against Sandusky there is a possibility that we can pull this one out of the fire."

Marion Catholic, with its single victory a sparkling decision over Crestline by a 69-64 count, will floor a team comprised of Tom Rish at center, Paul Hurney and Dennis Dickerson at the forwards, and Duane Isom and Steve Myers at the guards. "Those are the boys I intend to start," Robbins asserted. "Harry Traugh and Larry Roth are also good bets to see early action."

Against the Robbinsmen, Burt is expected to have Vernon Ulery, 6-2 junior, and Bob Hall, 6-foot senior, at the forwards, with Dave Silliman, 6-2 junior, at center. Bill Cain, 5-7 senior, and Wendell Piper, 5-10 junior, will run at the guards.

—:—

HALL AND CAIN are the only lettermen on the Eagle starting five, although Ulery and Silliman are Big Walnut's potential top scorers. Both have a 12-points-per-game average.

Burt noted that most of his team's losses have been close. "We lost 5 of 8 games by a total of 19 points," he pointed out. "In all but two actions we were in there from start to finish."

Harding's Knodel declared that the crowd turning out to watch last week's Elyria game was "the best of the season."

"If we could get another turnout like that tonight—it would help," he said.

Knodel says that Andreas' club is not a high scoring one, but one in which defense plays a big part. Concluded the President pilot: "If our practices are any indication, perhaps we're coming around to being a good team again. We've looked like anything but in our last few games. We need a good victory. Maybe tonight's the night."

Robbins voiced satisfaction with his team's spirit in practice this week and suggested that "it is looking more like a ball team right along." The Irish pilot would not predict a victory, but said he had "a hunch that tonight will be our night again."

Burt, observing that his boys are not discouraged by their current record, emphasized that he anticipated a good, close game, "Marion Catholic will be hungry and so will we. I look for a good basketball game," he declared.

Preliminary games at both Harding and Marion Catholic are set for 7:30 p.m.

McMillan Signed By Redlegs for '59

CINCINNATI (AP) — Another mainstay of the Cincinnati Redlegs — shortstop Roy McMillan — has agreed to terms for the 1959 season.

McMillan, who led the National League shortstops in field last year, signed his contract Thursday and received some high praise from General Manager Gabe Paul.

NEW SERVICE OFFERED. Bill Shvetz, bruising right winger for the Cleveland Barons' hockey team, gets a rubdown from "Miss Physical Fitness" prior to the team's workout Thursday. "Miss Physical Fitness" is Dix Qualset of Omaha, Neb., who is making a coast-to-coast tour. Waiting his turn on the table is Gordon Vejprava, a Baron center. Vejprava played with the old Marion Barons early in his hockey career. (UPI Telephoto)

Harding, Catholic Teams Guests

OSU Cage Mentor Sees Rosy Future For Buckeyes in Kiwanis Club Talk

Fred Taylor, head basketball coach at Ohio State University, painted a rosy picture of the Buckeyes' cage future here Thursday when he addressed the weekly luncheon meeting of the Marion Kiwanis Club.

Special guests of the Kiwanians were members of the Harding and Marion Catholic basketball teams along with their coaches.

—:—

"WE HAVE AS fine a group of freshmen coming on as I have ever seen," Taylor insisted. He and his assistant, Jack Graf, feel that several members of the frosh team will help the Bucks next year.

Jerry Lucas, Middletown's All-Ohio hero, is, of course the No. 1 prospect. "Lucas is without a doubt as good a basketball player as has ever come out of Ohio high schools," the OSU coach said. The 6-9, 230-pound Lucas was described as "wonderfully strong and aggressive" and currently is carrying a 3.6 average in his scholastic work.

"At least six of the freshmen might cause some of our underclassmen trouble next season," Taylor went on. In addition to Lucas, the Buckeye coaching staff is counting heavily on John Havlicek, 6-5 performer from Lansing, O.; Gary Gearhart, 6-3 New Lebanon star; J. T. Landis, 5-11 guard from Columbus North, and Mel Nowell, a 6-2 star last year from Columbus North.

—:—

BOB KNIGHT, a 6-4 forward from Orrville, was described by Taylor as "the real sleeper" on the freshman squad. "He plays defense with a vengeance and should go a long way," he said.

"They are a real fine group and we certainly are looking forward to having them with the varsity. The future looks bright," Taylor said.

The Buckeye varsity has lost six of ten games thus far this season but Taylor believes better days are ahead.

"I don't like to take beatings and we plan to do something about it," he said. The OSU coach reviewed the season and told of the rash of injuries which has hit his squad. Larry Siegfried, former Shelby High School scoring ace, is the latest to join the Bucks' hospital list. He suffered a back injury during a gymnastic period this week and is a doubtful starter for Saturday's Big Ten clash with Northwestern.

—:—

"I BELIEVE you make your own luck and ours is bound to change, Taylor said. "The count evens out over a long period. We are going to play better basketball."

Taylor was introduced by Joseph W. Galloway, Kiwanis program chairman for the month. M. Paul Hunt introduced the coaches of the local high school team.

Ray Robbins of Marion Catholic introduced his Irish players and Max Ross, assistant coach. Don Knodel, Harding cage mentor, introduced his assistants Don Zeisler and Al Beach and his Prexy players.

Final plans for the Kiwanis pancake festival were announced and tickets were distributed to members. The all-day event will be sponsored by the club Saturday, Feb. 14 at Harding High School. The project is for the benefit of underprivileged children and youth activities in Marion County.

Out-of-town guests at the meeting included Lt. Walter Bechtle of Westhampton Beach, L.I.; Ralph Grimshaw, Charles Manchester and Rupart Brown, of Columbus; Ray Beckwith of Akron and Norman Bick of Toledo. Other guests were the Rev. C. Edwin Weber, Don Williamson, Lawrence Hudgin, Walter Haberman, Lloyd Calhoun, Dr. Ralph Morton, Harry Traugh, Roy Everly, George Howser, Dan Day, Walter Roth, Rodney Cox and Mayor Wendell L. Strong.

Grange Action Slated

In Marion County Grange hardcourt play scheduled for Saturday on the Morral School floor, Whetstone will tangle with Salt Rock at 7:15 p.m., with Montgomery going against United at 8:15.

Utah Squad Hikes Cage Win Streak

By The Associated Press

Jack Gardner, the sometimes excitable Utah basketball coach who swigs two quarters of milk a game to soothe his hurts, has a much more pleasant remedy today—a tidy winning streak and first place in the Skyline Conference.

The Utes' string went to five and their conference record to 3-0 Thursday night in a 76-50 whipping of New Mexico. With a combination of brawn and height on the court, Gardner probably has the quietest stomach since he bagged his last Skyline title three seasons ago.

Show Championship Style

Since the consolation finals of the ECAC Holiday Festival in New York last month, the Utes have been winging in championship form.

Dick Ruffell, a dandy sophomore flipped in 18 points as Utah hit at a 46.6 per cent pace against New Mexico. Carney Crisler and Jim Rhead, two others who rode the bench only three weeks ago, have helped the Utes in the conference race.

Denver, with George De Roos and Bob Grinstead each scoring 16, downed Montana 66-62 in another Skyline game, and Virginia won its first Atlantic Coast Conference game in seven tries, 86-67 over Duke as Paul Adkins scored 24 points and 6-7, 240-pound Herb Busch added 20.

VMI Battered 76-63

George Washington had a 54.8 shooting percentage in walloping Virginia Military 79-63 in Southern Conference play behind 20 points from Billy Talasky and 19 from Bucky McDonald.

In the Ohio Valley Conference Morehead of Kentucky defeated East Tennessee 83-77 and Eastern Kentucky routed Middle Tennessee, 93-66.

Villanova, with soph Jim Huggard scoring 26 points, bagged its 10th victory in 11 games, 101-75 over Brandeis, and Florida built up a 23-point halftime lead and coasted to an 85-70 decision over Miami of Florida.

Other major results included Stetson 65, Tampa 58, Mississippi Southern 75, Soring Hill 70, and Presbyterian 81, Erskine 61.

Grab 1-Stroke Edge

Pro-Am Event Led By Boros, Maxwell

PEBBLE BEACH, Calif. (AP)—Julius Boros and Billy Maxwell, who both know well the way to golf's pay window, paced a packed field into today's second round of Bing Crosby's $50,000 pro-amateur tournament.

Boros, a former National Open champ, and ex-amateur king Maxwell both caught fire with a string of birdies on the second nine holes of Thursday's opening round to shoot five-under-par scores of 67.

Lead by Stroke

That gave them a one-stroke advantage over U.S. Open Champion Tommy Bolt and fast-rising John McMullin. Nine others were deadlocked at 69. On that list came Art Wall, Dow Finsterwald, Howie Johnson, Bob Goalby, Arnold Palmer, Frank Stranahan, Mike Souchak with Bob Goldwater of Phoenix were tied at 62. Boros, of Mid Pines, N.C., and his partner from Las Vegas, Moe Dahlitz, carded a best-ball 66.

The opening day's play also saw a hole-in-one. Pro Jim Ferree's No. 5 iron shot popped into the hole on the 160-yard fifth at Pebble Beach.

Each of the 150 pros competing Bo Winninger, Doug Sanders and Paul O'Leary.

Except for Wall and Palmer, all the leaders played the Monterey Peninsula Country Club course, easier than the other two used in this tournament — Cypress Point and Pebble Beach.

Seek Best-Ball Title

Each of the 150 pros competing for the $4,000 top prize also is teamed with an amateur in a best-ball event with $2,000 awaiting the pro on the winning team.

Maxwell, of Odessa, Texas., and his partner, Dr. Robert Knutson of San Francisco, led that category with a best-ball score of 61. Bolt with singer Don Cherry and

Irish Juniors Sink Pleasant In 33-24 Fray

The junior high hardcourt teams of Marion Catholic and Pleasant locked horns in a contest Thursday, with the charges of Coach Max Ross downing the Panda five 33-24.

The Irish frosh, with a record now of 5-5, took a 6-3 quarter lead, found the court knotted at 10-10 at halftime, then came on to take a 23-17 advantage going into the finale.

A total of 16 Marion Catholic players got into the fracas, with Ross' boys scoring 14 goals and 8 free throws for the decision. Pleasant posted 12 completions from the field and 12 from the foul line.

John Gunder paced the Irish attack with 18 points on 8 goals and 2 bonus shots. King was high for Pleasant with eight.

In a preliminary game, the St. Mary seventh-eighth grade team took a 27-25 defeat at the hands of its Pleasant counterparts. Bob Anderson was high for the losers with 12 points, with Lichtenberger getting 18 for the victors.

Cooper To Accept Moore's Proposal

LONDON (AP) — Jim Wicks, manager of British Heavyweight Champion Henry Cooper, said today he had cabled Archie Moore accepting an unusual guarantee of $150,000. The fight would be in London, probably in June.

(At the Boxers Writers Assn. dinner in New York Thursday night Moore said he would give Cooper $150,000).

"If Moore guarantees us the 50,000 pounds then the fight is on," Wicks said. "It could then take place in London in June and with this money already in the bank Cooper would not need any purse."

YMCA Church Loop Leaders Take 7th Win

Unbeaten Trinity Lutheran recorded its seventh win in Church League action at the YMCA Thursday night, bumping Trinity Baptist 57-45.

In other games, Emanuel Lutheran nipped Epworth Methodist 34-31, Calvary clipped St. John 62-58 in an overtime battle and Lee St. Presbyterian defeated Church of the Brethren 42-34.

The league leaders moved into an early lead and after the first quarter were leading 16-19. The losers cut their halftime deficit to 24-20 but trailed 39-32 at the start of the last frame. Jay Flach led the winners with 19 points and Bob Johnston scored the same number for the losers.

Emanuel Lutheran trailed 8-6 after one quarter but came on strong to lead 18-12 at the half and 26-19 after three quarters. Winter with 11 points was high for the winners while Reid's 8 topped the Epworth scoring.

Calvary and St. John battled to a 57-57 tie in regulation time before Calvary spurted in the overtime session. The winners trailed 19-9 after one quarter but led 28-27 at the half and 47-42 after three quarters. Bud England led the winners with 20 points and Roy Klingel had 20 for the losers.

Lee St. Presbyterian also won its verdict in the last half. The Brethren led 8-6 after one quarter and 20-18 at the half but Lee St. managed to knot the count 28-28 in the third period. Rocky Evans popped in 18 points for the losers and Larry Walter had 13 for Lee St.

MCI Cagers Register 62-46 Win Over Wilson

The Marion Correctional Institution rolled to an easy 62-46 cage victory over Wilson Auctioneers Thursday night.

Jumping into an early lead the Hornets were never threatened and Coach Bill Coder cleared the bench. Eight cagers broke into the scoring column for the winners.

MCI spurted into a 19-8 edge in the first quarter and ended the first half with a 44-20 cushion. They carried a 52-33 lead into the final period.

Byrd pumped in 24 points to lead the winning attack and Kellom added 18. Big gun for the Green Camp team was Bob Wilson with 17 points. Leffler added 16.

Taft Cagers Clip Eber Baker In 34-32 Struggle, Share Lead

Taft Junior High School moved into a tie for first place in the Marion Junior High School League basketball race Thursday, whipping Eber Baker in a 34-32 thriller at the Taft floor.

Coach Bob Beidler's charges took the lead early and were never headed although they were never able to build up a commanding lead.

The winners led 10-5 after the first quarter and 18-15 at the halftime intermission. Baker stormed back to cut its deficit to a single point in the third period to go into the last stanza trailing only 26-25.

Ernie Robinson with 11 points and Frank LaSeta with 10 were the big guns for Taft while Jon Wilson and Orrison Firstenberger each scored eight for Baker.

Both teams scored 15 field goals with Taft collecting four points at the foul line and Baker only two.

The win leaves Taft tied with Baker with two wins and a loss for the league lead. Taft will entertain Marion Catholic's junior high squad next Thursday.

In the reserve contest, Baker took a 24-22 decision. Taft led 8-6 after one quarter, and 13-11 at the half before Baker knotted the score at 19-19 in the third quarter. Danny Jaycox scored 11 to lead Baker while Bud Kline had 8 for the losers.

'Y' Wrestling Meet Canceled

North Canton High School wrestling officials notified the Marion YMCA that they would be unable to participate in two scheduled dual meets with the local grapplers due to a new league rule forbidding their competing against teams outside their league, it was announced today.

The Marion mat team was slated to host North Canton Saturday and travel to Canton on the following Saturday, Jan. 24.

Due to the lateness of the notification no filler team was available and refunds to season ticket holders will be made upon request, coach Dean Ludwig said.

With North Canton no longer on the card, Marion will set its sights for Tuesday when it will travel to Whitehall High School in an effort to avenge a one-point loss at the hands of the host squad last year. The one point defeat cost Marion an undefeated season in 1958.

Wrestle-offs for positions for the Whitehall meet will be held Saturday at 2 p.m. on the "Y" mat and spectators will be welcome to attend these contests.

The local's next home appearance will be Feb. 5 when it meets unbeaten Clyde, to begin a four meet home stand against Fremont Ross, Toledo, and Lima in that order.

Husband Leaves Game But Wife Pays $25 Fine

CLOVIS, N. M. (AP) — A Clovis woman took drastic measures to get her husband out of an all-night gambling game.

She stalked into the game, fired a shot into the floor, and lined the players up against the wall. She got her husband home, all right, but she also paid $25 for firing a gun within the city limits.

GOOD SCOUTS

DELAWARE, O. (AP) — The State Girls' Industrial School near here may be the only institution of its type in the nation to have a Girl Scout troop.

Teamsters Face Fine

U.S. District Court Set To Bear Down on Hoffa

By VICTOR RIESEL

Unless Jim Hoffa learns the difference between defiance and contempt, he may wind up in jail shortly while a good chunk of the Teamster treasury lands in the U.S. Treasury. That may well be the cost to Hoffa and his union if he refuses in the next 90 days to obey 75 pages full of clean up orders from federal court appointed monitors.

VICTOR RIESEL

Heavy fines could also be levied against Hoffa personally. All this would be punishment for contempt of court — one of three alternatives now being considered by the federal courts in their showdown with the man who lives by the creed that he need obey no one and recognize no force but his own.

The 75-page document, now in the hands of Federal Judge F. Dickinson Letts, is a detailed list of the orders from the monitors which Hoffa has ignored.

It is jammed full of statements that nothing has been done about forged checks, illegal voting, bribery, faulty financial auditing and the hiring of friends with criminal records — just to mention the casual details.

-:-

THE COURT positively will expect Hoffa and the entire Teamster high command to obey every sentence of the now documented orders.

If the Teamster leadership doesn't chase every comma, every dash of these directives, Washington legal circles believe the court will consider either the contempt citation or one of two other alternate actions against the Teamster chiefs.

The court could simply remove the union's leaders. They would then be replaced by the old executive council — without Dave Beck, of course.

But much of that council still would be controlled by Brother Hoffa — who himself would be on the board as a vice president elected back in 1952. So that awakens no great enthusiasm in the court.

Or Judge Letts could replace Hoffa and the high command with a set of trustees. These men would administer the union just as trustees in a commercial case run an estate. But this is some estate. It has 900 locals, 5,000 officials and hundreds of millions of dollars in total.

It is believed the court, for the moment, considers the trustee technique far too drastic a step. It would be a last resort.

This leaves the simple expedient of contempt action, which can be both civil and criminal. The court can simply say that Hoffa failed to obey its order and must go to jail.

There is strong precedent for such a judicial move. It happened to a bigger giant — John L. Lewis back in 1946. At that time John L. defied a court injunction to call off a coal strike. It was the same court Jim Hoffa defies today.

-:-

LEWIS'S JOVIAN thundering suddenly went silent when the Supreme Court affirmed a $10,000 fine levied against him personally by Judge Goldsborough who also had slapped the United Mine Workers with a 3½-million-dollar levy. The high court cut this to $700,000 and gave Lewis five days to end his strike or pay the other $2,800,000 out of his 50-million-dollar union treasury. Even for John L. this was too much. He obeyed the court.

Today, the federal court believes that what the Supreme Court said then still is good law. This, in effect, is what the court said:

In imposing a fine for criminal contempt, a trial judge may properly take into consideration the following: (1) The extent of the willful and deliberate defiance of the court's order (2) The seriousness of the consequences and of the contumacious behavior (3) The necessity of effectively terminating the defendants' defiance as required by the public interest and (4) the importance of deterring such acts in the future.

The court could use this as its guide in its final dealing with Hoffa alone. Or it could jail his entire council. Or fine them personally.

Whichever course the court chooses, it will move in the next three or four months. It simply has decided to prove that its pen is mightier than the sword.
